ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On September 23, 2011, Aethlon Medical, Inc. (the "Registrant") entered into a Subscription Agreement among the Registrant and two accredited investors (the "Purchasers") providing for the issuance and sale of convertible promissory notes and corresponding warrants in the aggregate principal amount of \$244,000. The closing under the Subscription Agreement resulted in the issuance and sale by the Registrant of (i) convertible promissory notes in the aggregate principal amount of \$244,000, (ii) five-year warrants to purchase an aggregate of 3,485,714 shares of the Registrant's common stock at an exercise price of \$0.10 per share. The convertible promissory notes bear interest compounded monthly at the annual rate of ten percent (10%) and mature on September 23, 2012. The aggregate gross cash proceeds to the Registrant were \$200,000, the balance of the principal amount representing a due diligence fee and an original issuance discount. The convertible promissory notes are convertible at the option of the holders into shares of common stock of the Registrant initially at a price per share equal to seven cents, provided that if certain milestones as described in the notes are not achieved by the Company, the conversion price will be reduced to eighty percent (80%) of the average of the three lowest closing bid prices of the common stock as reported by Bloomberg L.P. for ten (10) trading days preceding the Conversion Date. Subject to adjustments as described in the notes, the conversion price may not be more than seven cents. There are no registration requirements with respect to the shares of common stock underlying the notes or the warrants.

The foregoing description of the Subscription Agreement, the promissory notes and the warrants does not purport to be complete and is qualified in its entirety by the form of warrant attached hereto as Exhibits 4.1, the form of Subscription Agreement attached hereto as Exhibit 10.1, and the form of promissory note attached hereto as Exhibit 10.2, each of which is incorporated herein by reference.

Right to Purchase _____ shares of Common Stock of Aethlon Medical, Inc. (subject to adjustment as provided herein)

CLASS A COMMON STOCK PURCHASE WARRANT

No. 2011-A-003

Issue Date: September __, 2011

AETHLON MEDICAL, INC., a corporation organized under the laws of the State of Nevada (the “**Company**”), hereby certifies that, for value received, _____, _____, or its assigns (the “**Holder**”), is entitled, subject to the terms set forth below, to purchase from the Company at any time after the Issue Date until 5:00 p.m., E.S.T on the fifth anniversary of the Issue Date (the “**Expiration Date**”), up to _____ fully paid and non-assessable shares of Common Stock at a per share purchase price of **\$0.10**. The aforescribed purchase price per share, as adjusted from time to time as herein provided, is referred to herein as the **Purchase Price**.” The number and character of such shares of Common Stock and the Purchase Price are subject to adjustment as provided herein. The Company may reduce the Purchase Price for some or all of the Warrants, temporarily or permanently, provided such reduction is made as to all outstanding Warrants for all Holders of such Warrants. Capitalized terms used and not otherwise defined herein shall have the meanings set forth in that certain Subscription Agreement (the “**Subscription Agreement**”), dated as of September __, 2011, entered into by the Company, the Holder and the other signatories thereto.

As used herein the following terms, unless the context otherwise requires, have the following respective meanings:

(a) The term “**Company**” shall mean Aethlon Medical, Inc., a Nevada corporation, and any corporation which shall succeed or assume the obligations of Aethlon Medical, Inc. hereunder.

(b) The term “**Common Stock**” includes (i) the Company's Common Stock, \$0.001 par value per share, as authorized on the date of the Subscription Agreement, and (ii) any other securities into which or for which any of the securities described in (i) may be converted or exchanged pursuant to a plan of recapitalization, reorganization, merger, sale of assets or otherwise.

(c) The term “**Other Securities**” refers to any stock (other than Common Stock) and other securities of the Company or any other person (corporate or otherwise) which the holder of the Warrant at any time shall be entitled to receive, or shall have received, on the exercise of the Warrant, in lieu of or in addition to Common Stock, or which at any time shall be issuable or shall have been issued in exchange for or in replacement of Common Stock or Other Securities pursuant to Section 4 or otherwise.

(d) The term “**Warrant Shares**” shall mean the Common Stock issuable upon exercise of this Warrant.

1. Exercise of Warrant.

1.1. Number of Shares Issuable upon Exercise. From and after the Issue Date through and including the Expiration Date, the Holder hereof shall be entitled to receive, upon exercise of this Warrant in whole in accordance with the terms of Section 1.2 or upon exercise of this Warrant in part in accordance with Section 1.3, shares of Common Stock of the Company, subject to adjustment pursuant to Section 4 below and Sections 11.4 and 12(b) of the Subscription Agreement.

1.2. Full Exercise. This Warrant may be exercised in full by the Holder hereof by delivery to the Company of an original or facsimile copy of the form of subscription attached as Exhibit A hereto (the “**Subscription Form**”) duly executed by such Holder and delivery within two days thereafter of payment, in cash, wire transfer or by certified or official bank check payable to the order of the Company, in the amount obtained by multiplying the number of shares of Common Stock for which this Warrant is then exercisable by the Purchase Price then in effect. The original Warrant is not required to be surrendered to the Company until it has been fully exercised.

1.3. Partial Exercise. This Warrant may be exercised in part (but not for a fractional share) by delivery of a Subscription Form in the manner and at the place provided in Section 1.2, except that the amount payable by the Holder on such partial exercise shall be the amount obtained by multiplying (a) the number of whole shares of Common Stock designated by the Holder in the Subscription Form by (b) the Purchase Price then in effect. On any such partial exercise, provided the Holder has surrendered the original Warrant, the Company, at its expense, will forthwith issue and deliver to or upon the order of the Holder hereof a new Warrant of like tenor, in the name of the Holder hereof or as such Holder (upon payment by such Holder of any applicable transfer taxes) may request, the whole number of shares of Common Stock for which such Warrant may still be exercised.

1.4. Fair Market Value. For purposes of this Warrant, the **Fair Market Value** of a share of Common Stock as of a particular date (the “**Determination Date**”) shall mean:

(a) If the Company's Common Stock is traded on an exchange or is quoted on the NASDAQ Global Market, NASDAQ Global Select Market, the NASDAQ Capital Market, the New York Stock Exchange or the American Stock Exchange, LLC, then the average of the closing sale prices of the Common Stock for the five (5) Trading Days immediately prior to (but not including) the Determination Date;

(b) If the Company's Common Stock is not traded on an exchange or on the NASDAQ Global Market, NASDAQ Global Select Market, the NASDAQ Capital Market, the New York Stock Exchange or the American Stock Exchange, Inc., but is traded on the OTC Bulletin Board or in the over-the-counter market or Pink Sheets, then the average of the closing bid and ask prices reported for the five (5) Trading Days immediately prior to (but not including) the Determination Date;

(c) Except as provided in clause (d) below and Section 3.1, if the Company's Common Stock is not publicly traded, then as the Holder and the Company agree, or in the absence of such an agreement, by arbitration in accordance with the rules then standing of the American Arbitration Association, before a single arbitrator to be chosen from a panel of persons qualified by education and training to pass on the matter to be decided; or

(d) If the Determination Date is the date of a liquidation, dissolution or winding up, or any event deemed to be a liquidation, dissolution or winding up pursuant to the Company's charter, then all amounts to be payable per share to holders of the Common Stock pursuant to the charter in the event of such liquidation, dissolution or winding up, plus all other amounts to be payable per share in respect of the Common Stock in liquidation under the charter, assuming for the purposes of this clause (d) that all of the shares of Common Stock then issuable upon exercise of all of the Warrants are outstanding at the Determination Date.

1.5. Company Acknowledgment. The Company will, at the time of the exercise of the Warrant, upon the request of the Holder hereof, acknowledge in writing its continuing obligation to afford to such Holder any rights to which such Holder shall continue to be entitled after such exercise in accordance with the provisions of this Warrant. If the Holder shall fail to make any such request, such failure shall not affect the continuing obligation of the Company to afford to such Holder any such rights.

1.6. Delivery of Stock Certificates, etc. on Exercise. The Company agrees that, provided the purchase price listed in the Subscription Form is received as specified in Section 2, the shares of Common Stock purchased upon exercise of this Warrant shall be deemed to be issued to the Holder hereof as the record owner of such shares as of the close of business on the date on which delivery of a Subscription Form shall have occurred and payment made for such shares as aforesaid. As soon as practicable after the exercise of this Warrant in full or in part, and in any event within three (3) business days thereafter ("**Warrant Share Delivery Date**"), the Company at its expense (including the payment by it of any applicable issue taxes) will cause to be issued in the name of and delivered to the Holder hereof, or as such Holder (upon payment by such Holder of any applicable transfer taxes) may direct in compliance with applicable securities laws, a certificate or certificates for the number of duly and validly issued, fully paid and non-assessable shares of Common Stock (or Other Securities) to which such Holder shall be entitled on such exercise, plus, in lieu of any fractional share to which such Holder would otherwise be entitled, cash equal to such fraction multiplied by the then Fair Market Value of one full share of Common Stock, together with any other stock or other securities and property (including cash, where applicable) to which such Holder is entitled upon such exercise pursuant to Section 1 or otherwise. The Company understands that a delay in the delivery of the Warrant Shares after the Warrant Share Delivery Date could result in economic loss to the Holder. As compensation to the Holder for such loss, the Company agrees to pay (as liquidated damages and not as a penalty) to the Holder for late issuance of Warrant Shares upon exercise of this Warrant the proportionate amount of \$100 per business day after the Warrant Share Delivery Date for each \$10,000 of Purchase Price of Warrant Shares for which this Warrant is exercised which are not timely delivered. The Company shall pay any payments incurred under this Section in immediately available funds upon demand. Furthermore, in addition to any other remedies which may be available to the Holder, in the event that the Company fails for any reason to effect delivery of the Warrant Shares by the Warrant Share Delivery Date, the Holder may revoke all or part of the relevant Warrant exercise by delivery of a notice to such effect to the Company, whereupon the Company and the Holder shall each be restored to their respective positions immediately prior to the exercise of the relevant portion of this Warrant, except that the liquidated damages described above shall be payable through the date notice of revocation or rescission is given to the Company.

1.7. Buy-In. In addition to any other rights available to the Holder, if the Company fails to deliver to a Holder the Warrant Shares as required pursuant to this Warrant, and the Holder or a broker on the Holder's behalf, purchases (in an open market transaction or otherwise) shares of common stock to deliver in satisfaction of a sale by such Holder of the Warrant Shares which the Holder was entitled to receive from the Company (a "**Buy-In**"), then the Company shall pay in cash to the Holder (in addition to any remedies available to or elected by the Holder) the amount by which (A) the Holder's total purchase price (including brokerage commissions, if any) for the shares of common stock so purchased exceeds (B) the aggregate Purchase Price of the Warrant Shares required to have been delivered together with interest thereon at a rate of 15% per annum, accruing until such amount and any accrued interest thereon is paid in full (which amount shall be paid as liquidated damages and not as a penalty). For example, if a Holder purchases shares of Common Stock having a total purchase price of \$11,000 to cover a Buy-In with respect to \$10,000 of Purchase Price of Warrant Shares to have been received upon exercise of this Warrant, the Company shall be required to pay the Holder \$1,000, plus interest. The Holder shall provide the Company written notice indicating the amounts payable to the Holder in respect of the Buy-In.

2. Cashless Exercise.

(a) Payment upon exercise may be made at the option of the Holder either in (i) cash, wire transfer or by certified or official bank check payable to the order of the Company equal to the applicable aggregate Purchase Price, (ii) by delivery of Common Stock issuable upon exercise of the Warrants in accordance with Section (b) below or (iii) by a combination of any of the foregoing methods, for the number of Common Stock specified in such form (as such exercise number shall be adjusted to reflect any adjustment in the total number of shares of Common Stock issuable to the holder per the terms of this Warrant) and the holder shall thereupon be entitled to receive the number of duly authorized, validly issued, fully-paid and non-assessable shares of Common Stock (or Other Securities) determined as provided herein. Notwithstanding the immediately preceding sentence, payment upon exercise may be made in the manner described in Section 2(b) below, only with respect to Warrant Shares not included for unrestricted public resale in an effective registration statement on the date notice of exercise is given by the Holder.

(b) If the Fair Market Value of one share of Common Stock is greater than the Purchase Price (at the date of calculation as set forth below), in lieu of exercising this Warrant for cash, the holder may elect to receive shares equal to the value (as determined below) of this Warrant (or the portion thereof being cancelled) by delivery of a properly endorsed Subscription Form delivered to the Company by any means described in Section 13, in which event the Company shall issue to the holder a number of shares of Common Stock computed using the following formula:

$$X = \frac{Y(A-B)}{A}$$

Where X= the number of shares of Common Stock to be issued to the Holder

Y= the number of shares of Common Stock purchasable under the Warrant or, if only a portion of the Warrant is being exercised, the portion of the Warrant being exercised (at the date of such calculation)

A= Fair Market Value

B= Purchase Price (as adjusted to the date of such calculation)

For purposes of Rule 144 promulgated under the 1933 Act, it is intended, understood and acknowledged that the Warrant Shares issued in a cashless exercise transaction in the manner described above shall be deemed to have been acquired by the Holder, and the holding period for the Warrant Shares shall be deemed to have commenced, on the date this Warrant was originally issued pursuant to the Subscription Agreement.

3. Adjustment for Reorganization, Consolidation, Merger, etc.

3.1. **Fundamental Transaction.** If, at any time while this Warrant is outstanding, (A) the Company effects any merger or consolidation of the Company with or into another entity, (B) the Company effects any sale of all or substantially all of its assets in one or a series of related transactions, (C) any tender offer or exchange offer (whether by the Company or another entity) is completed pursuant to which holders of Common Stock are permitted to tender or exchange their shares for other securities, cash or property, (D) the Company consummates a stock purchase agreement or other business combination (including, without limitation, a reorganization, recapitalization, or spin-off) with one or more persons or entities whereby such other persons or entities acquire more than the 50% of the outstanding shares of Common Stock (not including any shares of Common Stock held by such other persons or entities making or party to, or associated or affiliated with the other persons or entities making or party to, such stock purchase agreement or other business combination), (E) any "person" or "group" (as these terms are used for purposes of Sections 13(d) and 14(d) of the 1934 Act) is or shall become the "beneficial owner" (as defined in Rule 13d-3 under the 1934 Act), directly or indirectly, of 50% of the aggregate Common Stock of the Company, or (F) the Company effects any reclassification of the Common Stock or any compulsory share exchange pursuant to which the Common Stock is effectively converted into or exchanged for other securities, cash or property (in any such case, a "**Fundamental Transaction**"), then, upon any subsequent exercise of this Warrant, the Holder shall have the right to receive, for each Warrant Share that would have been issuable upon such exercise immediately prior to the occurrence of such Fundamental Transaction, at the option of the Holder, (a) upon exercise of this Warrant, the number of shares of Common Stock of the successor or acquiring corporation or of the Company, if it is the surviving corporation, and any additional consideration (the "**Alternate Consideration**") receivable upon or as a result of such reorganization, reclassification, merger, consolidation or disposition of assets by a Holder of the number of shares of Common Stock for which this Warrant is exercisable immediately prior to such event or (b) if the Company is acquired in (1) a transaction where the consideration paid to the holders of the Common Stock consists solely of cash, (2) a "Rule 13e-3 transaction" as defined in Rule 13e-3 under the 1934 Act, or (3) a transaction involving a person or entity not traded on a national securities exchange, the Nasdaq Global Select Market, the Nasdaq Global Market or the Nasdaq Capital Market, cash equal to the Black-Scholes Value. For purposes of any such exercise, the determination of the Purchase Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one share of Common Stock in such Fundamental Transaction, and the Company shall apportion the Purchase Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any exercise of this Warrant following such Fundamental Transaction. To the extent necessary to effectuate the foregoing provisions, any successor to the Company or surviving entity in such Fundamental Transaction shall issue to the Holder a new warrant consistent with the foregoing provisions and evidencing the Holder's right to exercise such warrant into Alternate Consideration. The terms of any agreement pursuant to which a Fundamental Transaction is effected shall include terms requiring any such successor or surviving entity to comply with the provisions of this Section 3.1 and insuring that this Warrant (or any such replacement security) will be similarly adjusted upon any subsequent transaction analogous to a Fundamental Transaction. "**Black-Scholes Value**" shall be determined in accordance with the Black-Scholes Option Pricing Model obtained from the "OV" function on Bloomberg L.P. using (i) a price per share of Common Stock equal to the VWAP of the Common Stock for the Trading Day immediately preceding the date of consummation of the applicable Fundamental Transaction, (ii) a risk-free interest rate corresponding to the U.S. Treasury rate for a period equal to the remaining term of this Warrant as of the date of such request and (iii) an expected volatility equal to the 100 day volatility obtained from the HVT function on Bloomberg L.P. determined as of the Trading Day immediately following the public announcement of the applicable Fundamental Transaction.

3.2. Continuation of Terms. Upon any reorganization, consolidation, merger or transfer (and any dissolution following any transfer) referred to in this Section 3, this Warrant shall continue in full force and effect and the terms hereof shall be applicable to the Other Securities and property receivable on the exercise of this Warrant after the consummation of such reorganization, consolidation or merger or the effective date of dissolution following any such transfer, as the case may be, and shall be binding upon the issuer of any Other Securities, including, in the case of any such transfer, the person acquiring all or substantially all of the properties or assets of the Company, whether or not such person shall have expressly assumed the terms of this Warrant as provided in Section 4.

3.3. Share Issuance. Until the Expiration Date, if the Company shall issue any Common Stock except for the Excepted Issuances (as defined in the Subscription Agreement), prior to the complete exercise of this Warrant for a consideration less than the Purchase Price that would be in effect at the time of such issuance, then, and thereafter successively upon each such issuance, the Purchase Price shall be reduced to such other lower price for then outstanding Warrants. For purposes of this adjustment, the issuance of any security or debt instrument of the Company carrying the right to convert such security or debt instrument into Common Stock or of any warrant, right or option to purchase Common Stock shall result in an adjustment to the Purchase Price upon the issuance of the above-described security, debt instrument, warrant, right, or option if such issuance is at a price lower than the Purchase Price in effect upon such issuance and again at any time upon any actual, permitted, optional, or allowed issuances of shares of Common Stock upon any actual, permitted, optional, or allowed exercise of such conversion or purchase rights if such issuance is at a price lower than the Purchase Price in effect upon any actual, permitted, optional, or allowed such issuance. Common Stock issued or issuable by the Company for no consideration will be deemed issuable or to have been issued for \$0.001 per share of Common Stock. The reduction of the Purchase Price described in this Section 3.3 is in addition to the other rights of the Holder described in the Subscription Agreement.

4. Extraordinary Events Regarding Common Stock. In the event that the Company shall (a) issue additional shares of Common Stock as a dividend or other distribution on outstanding Common Stock, (b) subdivide its outstanding shares of Common Stock, or (c) combine its outstanding shares of the Common Stock into a smaller number of shares of Common Stock, then, in each such event, the Purchase Price shall, simultaneously with the happening of such event, be adjusted by multiplying the then Purchase Price by a fraction, the numerator of which shall be the number of shares of Common Stock outstanding immediately prior to such event and the denominator of which shall be the number of shares of Common Stock outstanding immediately after such event, and the product so obtained shall thereafter be the Purchase Price then in effect. The Purchase Price, as so adjusted, shall be readjusted in the same manner upon the happening of any successive event or events described herein in this Section 4. The number of shares of Common Stock that the Holder of this Warrant shall thereafter, on the exercise hereof, be entitled to receive shall be adjusted to a number determined by multiplying the number of shares of Common Stock that would otherwise (but for the provisions of this Section 4) be issuable on such exercise by a fraction of which (a) the numerator is the Purchase Price that would otherwise (but for the provisions of this Section 4) be in effect, and (b) the denominator is the Purchase Price in effect on the date of such exercise.

5. Certificate as to Adjustments. In each case of any adjustment or readjustment in the shares of Common Stock (or Other Securities) issuable on the exercise of the Warrants or the Purchase Price, the Company at its expense will promptly cause its Chief Financial Officer or other appropriate designee to compute such adjustment or readjustment in accordance with the terms of the Warrant and prepare a certificate setting forth such adjustment or readjustment and showing in detail the facts upon which such adjustment or readjustment is based, including a statement of (a) the consideration received or receivable by the Company for any additional shares of Common Stock (or Other Securities) issued or sold or deemed to have been issued or sold, (b) the number of shares of Common Stock (or Other Securities) outstanding or deemed to be outstanding, and (c) the Purchase Price and the number of shares of Common Stock to be received upon exercise of this Warrant, in effect immediately prior to such adjustment or readjustment and as adjusted or readjusted as provided in this Warrant. The Company will forthwith mail a copy of each such certificate to the Holder of the Warrant and any Warrant Agent of the Company (appointed pursuant to Section 11 hereof). Holder will be entitled to the benefit of the adjustment regardless of the giving of such notice. The timely giving of such notice to Holder is a material obligation of the Company.

6. Reservation of Stock, etc. Issuable on Exercise of Warrant; Financial Statements The Company will at all times reserve and keep available, solely for issuance and delivery on the exercise of the Warrants, all shares of Common Stock (or Other Securities) from time to time issuable on the exercise of the Warrant. This Warrant entitles the Holder hereof, upon written request, to receive copies of all financial and other information distributed or required to be distributed to the holders of the Company's Common Stock.

7. Assignment; Exchange of Warrant. Subject to compliance with applicable securities laws, this Warrant, and the rights evidenced hereby, may be transferred by any registered holder hereof (a "**Transferor**"). On the surrender for exchange of this Warrant, with the Transferor's endorsement in the form of Exhibit B attached hereto (the "**Transferor Endorsement Form**") and together with an opinion of counsel reasonably satisfactory to the Company that the transfer of this Warrant will be in compliance with applicable securities laws, the Company will issue and deliver to or on the order of the Transferor thereof a new Warrant or Warrants of like tenor, in the name of the Transferor and/or the transferee(s) specified in such Transferor Endorsement Form (each a "**Transferee**"), calling in the aggregate on the face or faces thereof for the number of shares of Common Stock called for on the face or faces of the Warrant so surrendered by the Transferor.

8. Replacement of Warrant. On receipt of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of this Warrant and, in the case of any such loss, theft or destruction of this Warrant, on delivery of an indemnity agreement or security reasonably satisfactory in form and amount to the Company or, in the case of any such mutilation, on surrender and cancellation of this Warrant, the Company at its expense, twice only, will execute and deliver, in lieu thereof, a new Warrant of like tenor.

9. [Reserved.]

10. Maximum Exercise. The Holder shall not be entitled to exercise this Warrant on an exercise date in connection with that number of shares of Common Stock which would be in excess of the sum of (i) the number of shares of Common Stock beneficially owned by the Holder and its affiliates on an exercise date, and (ii) the number of shares of Common Stock issuable upon the exercise of this Warrant with respect to which the determination of this limitation is being made on an exercise date, which would result in beneficial ownership by the Holder and its affiliates of more than 4.99% of the outstanding shares of Common Stock on such date. For the purposes of the immediately preceding sentence, beneficial ownership shall be determined in accordance with Section 13(d) of the 1934 Act and Rule 13d-3 thereunder. Subject to the foregoing, the Holder shall not be limited to aggregate exercises which would result in the issuance of more than 4.99%. The restriction described in this paragraph may be waived, in whole or in part, upon sixty-one (61) days prior notice from the Holder to the Company to increase such percentage to up to 9.99%, but not in excess of 9.99%. The Holder may decide whether to convert a Convertible Note or exercise this Warrant to achieve an actual 4.99% or up to 9.99% ownership position as described above, but not in excess of 9.99%.

11. Warrant Agent. The Company may, by written notice to the Holder of the Warrant, appoint an agent (a “**Warrant Agent**”) for the purpose of issuing Common Stock (or Other Securities) on the exercise of this Warrant pursuant to Section 1, exchanging this Warrant pursuant to Section 7, and replacing this Warrant pursuant to Section 8, or any of the foregoing, and thereafter any such issuance, exchange or replacement, as the case may be, shall be made at such office by such Warrant Agent.

12. Transfer on the Company's Books. Until this Warrant is transferred on the books of the Company, the Company may treat the registered holder hereof as the absolute owner hereof for all purposes, notwithstanding any notice to the contrary.

13. Notices. All notices, demands, requests, consents, approvals, and other communications required or permitted hereunder shall be in writing and, unless otherwise specified herein, shall be (i) personally served, (ii) deposited in the mail, registered or certified, return receipt requested, postage prepaid, (iii) delivered by reputable air courier service with charges prepaid, or (iv) transmitted by hand delivery, telegram, or facsimile, addressed as set forth below or to such other address as such party shall have specified most recently by written notice. Any notice or other communication required or permitted to be given hereunder shall be deemed effective (a) upon hand delivery or delivery by facsimile, with accurate confirmation generated by the transmitting facsimile machine, at the address or number designated below (if delivered on a business day during normal business hours where such notice is to be received), or the first business day following such delivery (if delivered other than on a business day during normal business hours where such notice is to be received) or (b) on the second business day following the date of mailing by express courier service, fully prepaid, addressed to such address, or upon actual receipt of such mailing, whichever shall first occur. The addresses for such communications shall be: if to the Company, to: Aethlon Medical, Inc., 8910 University Center Lane, Suite 660, San Diego, CA 92122, Attn: James A. Joyce, CEO, facsimile: (858) 272-2738, with a copy by telecopier only to: Law Office of Jennifer A. Post, 9320 Wilshire Boulevard, Suite 306, Beverly Hills, California 90212, Attn: Jennifer A. WHEREAS, the aggregate proceeds of the sale of the Notes and the Warrants contemplated hereby shall be held in escrow by Grushko & Mittman, P.C., 515 Rockaway Avenue, Valley Stream, New York 11581 (the “**Escrow Agent**”) pursuant to the terms of an Escrow Agreement to be executed by the parties substantially in the form attached hereto as **Exhibit C** (the “**Escrow Agreement**”).

NOW, THEREFORE, in consideration of the mutual covenants and other agreements contained in this Agreement the Company and the Subscriber hereby agree as follows:

1 . **Closing Date**. The “**Closing Date**” shall be the date that the Purchase Price is transmitted by wire transfer or otherwise credited to or for the benefit of the Company. The consummation of the transactions contemplated herein shall take place at the office of Grushko & Mittman, P.C., 515 Rockaway Avenue, Valley Stream, New York 11581, upon the satisfaction or waiver of all conditions to closing set forth in this Agreement.

2 . **Notes**. Subject to the satisfaction or waiver of the terms and conditions of this Agreement, on the Closing Date, each Subscriber shall purchase and the Company, and the Company shall sell to each Subscriber a Note in the Principal Amount designated on **Schedule 1** hereto for each such Subscriber’s Purchase Price indicated thereon.

3 . **Warrants**. On the Closing Date, the Company will issue and deliver the Warrants to the Subscribers. The Warrants shall be exercisable until five years after the issue date of the Warrants.

4. Subscriber's Representations and Warranties. Such Subscriber hereby represents and warrants to and agrees with the Company that:

(a) Organization and Standing of the Subscriber. Subscriber, to the extent applicable, is a corporation duly incorporated, validly existing and in good standing under the laws of the jurisdiction of its incorporation.

(b) Authorization and Power. Subscriber has the requisite power and authority to enter into and perform this Agreement and the other Transaction Documents [as defined in Section 5(c)] and to purchase the Notes and Warrants being sold to it hereunder. The execution, delivery and performance of this Agreement and the other Transaction Documents by Subscriber and the consummation by it of the transactions contemplated hereby and thereby have been duly authorized by all necessary corporate action, and no further consent or authorization of Subscriber or its Board of Directors or stockholders, if applicable, is required. This Agreement and the other Transaction Documents have been duly authorized, executed and when delivered by Subscriber and constitute, or shall constitute when executed and delivered, a valid and binding obligation of Subscriber, enforceable against Subscriber in accordance with the terms thereof.

(c) No Conflicts. The execution, delivery and performance of this Agreement and the other Transaction Documents and the consummation by Subscriber of the transactions contemplated hereby and thereby or relating hereto do not and will not (i) result in a violation of Subscriber's charter documents, bylaws or other organizational documents, if applicable, (ii) conflict with nor constitute a default (or an event which with notice or lapse of time or both would become a default) under any agreement to which Subscriber is a party, nor (iii) result in a violation of any law, rule, or regulation, or any order, judgment or decree of any court or governmental agency applicable to Subscriber or its properties (except for such conflicts, defaults and violations as would not, individually or in the aggregate, have a material adverse effect on Subscriber). Subscriber is not required to obtain any consent, authorization or order of, or make any filing or registration with, any court or governmental agency in order for it to execute, deliver or perform any of its obligations under this Agreement and the other Transaction Documents nor to purchase the Securities in accordance with the terms hereof, provided that for purposes of the representation made in this sentence, Subscriber is assuming and relying upon the accuracy of the representations and agreements of the Company herein.

(d) Information on Company. Such Subscriber has been furnished with or has had access at the EDGAR Website of the Commission to the Company's Form 10-K filed on July 14, 2011 for the fiscal year ended March 31, 2011, and the financial statements included therein, together with all subsequent filings made with the Commission available at the EDGAR website (hereinafter referred to collectively as the "Reports"). In addition, such Subscriber may have received in writing from the Company such other information concerning its operations, financial condition and other matters as such Subscriber has requested in writing, identified thereon as OTHER WRITTEN INFORMATION (such other information is collectively, the "Other Written Information"), and considered all factors such Subscriber deems material in deciding on the advisability of investing in the Securities.

Subscriber has the authority and is duly and legally qualified to purchase and own the Securities. Subscriber is able to bear the risk of such investment for an indefinite period and to afford a complete loss thereof. The information set forth on **Schedule 1** hereto regarding Subscriber is accurate.

(f) Purchase of Notes and Warrants. On the Closing Date, Subscriber will purchase its Note and Warrants as principal for its own account for investment only and not with a view toward, or for resale in connection with, the public sale or any distribution thereof.

(g) Compliance with Securities Act. Subscriber understands and agrees that the Securities have not been registered under the 1933 Act or any applicable state securities laws, by reason of their issuance in a transaction that does not require registration under the 1933 Act (based in part on the accuracy of the representations and warranties of the Subscriber contained herein), and that such Securities must be held indefinitely unless a subsequent disposition is registered under the 1933 Act or any applicable state securities laws or is exempt from such registration. In any event, and subject to compliance with applicable securities laws, the Subscriber may enter into lawful hedging transactions in the course of hedging the position they assume and the Subscriber may also enter into lawful short positions or other derivative transactions relating to the Securities, or interests in the Securities, and deliver the Securities, or interests in the Securities, to close out their short or other positions or otherwise settle other transactions, or loan or pledge the Securities, or interests in the Securities, to third parties who in turn may dispose of these Securities.

(h) Conversion Shares and Warrant Shares Legend. The Conversion Shares and Warrant Shares shall bear the following or similar legend:

“THE ISSUANCE AND SALE OF THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAS NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, NOR APPLICABLE STATE SECURITIES LAWS. NOTWITHSTANDING THE FOREGOING, THE SECURITIES MAY BE PLEDGED IN CONNECTION WITH A BONA FIDE MARGIN ACCOUNT OR OTHER LOAN OR FINANCING ARRANGEMENT SECURED BY THE SECURITIES.”

(i) Notes and Warrants Legend. The Notes and Warrants shall bear the following legend:

“NEITHER THE ISSUANCE AND SALE OF THE SECURITIES REPRESENTED BY THIS CERTIFICATE NOR THE SECURITIES INTO WHICH THESE SECURITIES ARE CONVERTIBLE –AND/OR-EXERCISABLE HAVE BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR APPLICABLE STATE SECURITIES LAWS. THE SECURITIES MAY NOT BE OFFERED FOR SALE, SOLD, TRANSFERRED OR ASSIGNED (I) IN THE ABSENCE OF (A) AN EFFECTIVE REGISTRATION STATEMENT FOR THE SECURITIES UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR (B) AN OPINION OF COUNSEL (WHICH COUNSEL SHALL BE SELECTED BY THE HOLDER), IN A GENERALLY ACCEPTABLE FORM, THAT REGISTRATION IS NOT REQUIRED UNDER SAID ACT OR (II) UNLESS SOLD PURSUANT TO RULE 144 OR RULE 144A UNDER SAID ACT. NOTWITHSTANDING THE FOREGOING, THE SECURITIES MAY BE PLEDGED IN CONNECTION WITH A BONA FIDE MARGIN ACCOUNT OR OTHER LOAN OR FINANCING ARRANGEMENT SECURED BY THE SECURITIES.”

(j) Communication of Offer. The offer to sell the Securities was directly communicated to Subscriber by the Company. At no time was Subscriber presented with or solicited by any leaflet, newspaper or magazine article, radio or television advertisement, or any other form of general advertising or solicited or invited to attend a promotional meeting otherwise than in connection and concurrently with such communicated offer.

(k) Restricted Securities. Subscriber understands that the Securities have not been registered under the 1933 Act and Subscriber will not sell, offer to sell, assign, pledge, hypothecate or otherwise transfer any of the Securities unless pursuant to an effective registration statement under the 1933 Act, or unless an exemption from registration is available. Notwithstanding anything to the contrary contained in this Agreement, Subscriber may transfer (without restriction and without the need for an opinion of counsel) the Securities to its Affiliates (as defined below) provided that each such Affiliate is an “accredited investor” under Regulation D and such Affiliate agrees to be bound by the terms and conditions of this Agreement. For the purposes of this Agreement, an “**Affiliate**” of any person or entity means any other person or entity directly or indirectly controlling, controlled by or under direct or indirect common control with such person or entity. Affiliate includes each Subsidiary of the Company. For purposes of this definition, “**control**” means the power to direct the management and policies of such person or firm, directly or indirectly, whether through the ownership of voting securities, by contract or otherwise.

(l) No Governmental Review. Subscriber understands that no United States federal or state agency or any other governmental or state agency has passed on or made recommendations or endorsement of the Securities or the suitability of the investment in the Securities nor have such authorities passed upon or endorsed the merits of the offering of the Securities.

(m) Correctness of Representations. Subscriber represents that the foregoing representations and warranties are true and correct as of the date hereof and, unless Subscriber otherwise notifies the Company prior to the Closing Date, shall be true and correct as of the Closing Date.

(n) Survival. The foregoing representations and warranties shall survive the Closing Date.

5. Company Representations and Warranties. The Company represents and warrants to and agrees with each Subscriber that:

(a) Due Incorporation. The Company is a corporation duly incorporated, validly existing and in good standing under the laws of the jurisdiction of its incorporation and has the requisite corporate power to own its properties and to carry on its business as presently conducted. The Company is duly qualified as a foreign corporation to do business and is in good standing in each jurisdiction where the nature of the business conducted or property owned by it makes such qualification necessary, other than those jurisdictions in which the failure to so qualify would not have a Material Adverse Effect. For purposes of this Agreement, a “**Material Adverse Effect**” shall mean a material adverse effect on the financial condition, results of operations, prospects, properties or business of the Company and its Subsidiaries taken as a whole. For purposes of this Agreement, “**Subsidiary**” means, with respect to any entity at any date, any corporation, limited or general partnership, limited liability company, trust, estate, association, joint venture or other business entity of which more than 30% of (i) the outstanding capital stock having (in the absence of contingencies) ordinary voting power to elect a majority of the board of directors or other managing body of such entity, (ii) in the case of a partnership or limited liability company, the interest in the capital or profits of such partnership or limited liability company or (iii) in the case of a trust, estate, association, joint venture or other entity, the beneficial interest in such trust, estate, association or other entity business is, at the time of determination, owned or controlled directly or indirectly through one or more intermediaries, by such entity. As of the Closing Date, all of the Company’s Subsidiaries and the Company’s ownership interest therein is set forth on Schedule 5(a).

(b) Outstanding Stock. All issued and outstanding shares of capital stock and equity interests in the Company have been duly authorized and validly issued and are fully paid and non-assessable.

(c) Authority; Enforceability. This Agreement, the Notes, Conversion Shares, Warrants, the Escrow Agreement, and any other agreements delivered together with this Agreement or in connection herewith (collectively “**Transaction Documents**”) have been duly authorized, executed and delivered by the Company and are valid and binding agreements of the Company enforceable in accordance with their terms, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights generally and to general principles of equity. The Company has full corporate power and authority necessary to enter into and deliver the Transaction Documents and to perform its obligations thereunder.

(d) Capitalization and Additional Issuances. The authorized and outstanding capital stock of the Company and Subsidiaries on a fully diluted basis as of the date of this Agreement and the Closing Date (not including the Securities) are set forth on Schedule 5(d). Except as set forth on Schedule 5(d), there are no options, warrants, or rights to subscribe to, securities, rights, understandings or obligations convertible into or exchangeable for or giving any right to subscribe for any shares of capital stock or other equity interest of the Company or any of the Subsidiaries. The only officer, director, employee and consultant stock option or stock incentive plan or similar plan currently in effect or contemplated by the Company is described on Schedule 5(d). There are no outstanding agreements or preemptive or similar rights affecting the Company's Common Stock.

(e) Consents. No consent, approval, authorization or order of any court, governmental agency or body or arbitrator having jurisdiction over the Company, or any of its Affiliates, the OTC Bulletin Board (the “**Bulletin Board**”) or the Company's shareholders is required for the execution by the Company of the Transaction Documents and compliance and performance by the Company of its obligations under the Transaction Documents, including, without limitation, the issuance and sale of the Securities. The Transaction Documents and the Company's performance of its obligations thereunder have been unanimously approved by the Company's Board of Directors. No consent, approval, order or authorization of, or registration, qualification, designation, declaration or filing with, any governmental authority in the world, including without limitation, the United States, or elsewhere is required by the Company or any Affiliate of the Company in connection with the consummation of the transactions contemplated by this Agreement, except as would not otherwise have a Material Adverse Effect on the consummation of any of the other agreements, covenants or commitments of the Company or any Subsidiary contemplated by the other Transaction Documents. Any such qualifications and filings will, in the case of qualifications, be effective on the Closing and will, in the case of filings, be made within the time prescribed by law.

(f) No Violation or Conflict. Assuming the representations and warranties of the Subscriber in Section 4 are true and correct, neither the issuance and sale of the Securities nor the performance of the Company's obligations under this Agreement and all other agreements entered into by the Company relating thereto by the Company will:

(i) violate, conflict with, result in a breach of, or constitute a default (or an event which with the giving of notice or the lapse of time or both would be reasonably likely to constitute a default) under (A) the articles or certificate of incorporation, charter or bylaws of the Company, (B) to the Company's knowledge, any decree, judgment, order, law, treaty, rule, regulation or determination applicable to the Company of any court, governmental agency or body, or arbitrator having jurisdiction over the Company or over the properties or assets of the Company or any of its Affiliates, (C) the terms of any bond, debenture, note or any other evidence of indebtedness, or any agreement, stock option or other similar plan, indenture, lease, mortgage, deed of trust or other instrument to which the Company or any of its Affiliates is a party, by which the Company or any of its Affiliates is bound, or to which any of the properties of the Company or any of its Affiliates is subject, or (D) the terms of any "lock-up" or similar provision of any underwriting or similar agreement to which the Company, or any of its Affiliates is a party except the violation, conflict, breach, or default of which would not have a Material Adverse Effect; or

(ii) result in the creation or imposition of any lien, charge or encumbrance upon the Securities or any of the assets of the Company or any of its Affiliates except in favor of Subscribers as described herein; or

(iii) except as set forth in **Schedule 5(f)** and which the Company specifically acknowledges as outstanding and subject to reset, result in the activation of any anti-dilution rights or a reset or repricing of any debt, equity or security instrument of any creditor or equity holder of the Company, or the holder of the right to receive any debt, equity or security instrument of the Company except for the Subscriber, nor result in the acceleration of the due date of any obligation of the Company; or

(iv) result in the triggering of any piggy-back or other registration rights of any person or entity holding securities of the Company or having the right to receive securities of the Company.

(g) The Securities. The Securities upon issuance:

(i) are, or will be, free and clear of any security interests, liens, claims or other encumbrances, subject only to restrictions upon transfer under the 1933 Act and any applicable state securities laws;

(ii) have been, or will be, duly and validly authorized and on the dates of issuance of the Conversion Shares upon conversion of the Notes, and the Warrant Shares upon exercise of the Warrants, such Conversion Shares and Warrant Shares will be duly and validly issued, fully paid and non-assessable and if registered pursuant to the 1933 Act and resold pursuant to an effective registration statement or if such resale is exempt from registration under Rule 144 will be free trading, unrestricted and unlegended;

(iii) will not have been issued or sold in violation of any preemptive or other similar rights of the holders of any securities of the Company or rights to acquire securities of the Company;

(iv) will not subject the holders thereof to personal liability by reason of being such holders; and

(v) assuming the representations and warranties of the Subscribers as set forth in Section 4 hereof are true and correct, will not result in a violation of Section 5 under the 1933 Act.

(h) Litigation. There is no pending or, to the best knowledge of the Company, threatened action, suit, proceeding or investigation before any court, governmental agency or body, or arbitrator having jurisdiction over the Company, or any of its Affiliates that would affect the execution by the Company or the complete and timely performance by the Company of its obligations under the Transaction Documents. Except as disclosed in the Reports, there is no pending or, to the best knowledge of the Company, basis for or threatened action, suit, proceeding or investigation before any court, governmental agency or body, or arbitrator having jurisdiction over the Company, or any of its Affiliates which litigation if adversely determined would have a Material Adverse Effect.

(i) No Market Manipulation. The Company and its Affiliates have not taken, and will not take, directly or indirectly, any action designed to, or that might reasonably be expected to, cause or result in stabilization or manipulation of the price of the Common Stock to facilitate the sale or resale of the Securities or affect the price at which the Securities may be issued or resold.

(j) Information Concerning Company. The Reports and Other Written Information contain all material information relating to the Company and its operations and financial condition as of their respective dates which information is required to be disclosed therein. Since June 30, 2011 and except as modified in the Reports and Other Written Information or in the Schedules hereto, there has been no Material Adverse Event relating to the Company's business, financial condition or affairs. The Reports and Other Written Information including the financial statements included therein do not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, taken as a whole, not misleading in light of the circumstances and when made.

(k) Solvency. Based on the financial condition of the Company as of the Closing Date, (i) the Company's fair saleable value of its assets exceeds the amount that will be required to be paid on or in respect of the Company's existing debts and other liabilities (including known contingent liabilities) as they mature; (ii) the Company's assets do not constitute unreasonably small capital to carry on its business for the current fiscal year as now conducted and as proposed to be conducted including its capital needs taking into account the particular capital requirements of the business conducted by the Company, and projected capital requirements and capital availability thereof; and (iii) the current cash flow of the Company, together with the proceeds the Company would receive, were it to liquidate all of its assets, after taking into account all anticipated uses of the cash, would be sufficient to pay all amounts on or in respect of its debt when such amounts are required to be paid. The Company does not intend to incur debts beyond its ability to pay such debts as they mature (taking into account the timing and amounts of cash to be payable on or in respect of its debt).

(l) Defaults. The Company is not in violation of its articles of incorporation or bylaws. Except as set forth in **Schedule 5(l)**, the Company is (i) not in default under or in violation of any other material agreement or instrument to which it is a party or by which it or any of its properties are bound or affected, which default or violation would have a Material Adverse Effect, (ii) not in default with respect to any order of any court, arbitrator or governmental body or subject to or party to any order of any court or governmental authority arising out of any action, suit or proceeding under any statute or other law respecting antitrust, monopoly, restraint of trade, unfair competition or similar matters, or (iii) not in violation of any statute, rule or regulation of any governmental authority which violation would have a Material Adverse Effect.

(m) No Integrated Offering. Except as set forth on **Schedule 5(m)**, neither the Company, nor any of its Affiliates, nor any person acting on its or their behalf, has directly or indirectly made any offers or sales of any security of the Company nor solicited any offers to buy any security of the Company under circumstances that would cause the offer of the Securities pursuant to this Agreement to be integrated with prior offerings by the Company for purposes of the 1933 Act or any applicable stockholder approval provisions, including, without limitation, under the rules and regulations of the Bulletin Board. No prior offering will impair the exemptions relied upon in this Offering or the Company's ability to timely comply with its obligations hereunder. Neither the Company nor any of its Affiliates will take any action or steps that would cause the offer or issuance of the Securities to be integrated with other offerings which would impair the exemptions relied upon in this Offering or the Company's ability to timely comply with its obligations hereunder. The Company will not conduct any offering other than the transactions contemplated hereby that may be integrated with the offer or issuance of the Securities that would impair the exemptions relied upon in this Offering or the Company's ability to timely comply with its obligations hereunder.

(n) No General Solicitation. Neither the Company, nor any of its Affiliates, nor to its knowledge, any person acting on its or their behalf, has engaged in any form of general solicitation or general advertising (within the meaning of Regulation D under the 1933 Act) in connection with the offer or sale of the Securities.

(o) No Undisclosed Liabilities. Since June 30, 2011, except as disclosed in the Reports, the Company has no liabilities or obligations which are material, individually or in the aggregate, other than those incurred in the ordinary course of the Company businesses since June 30, 2011 and which, individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect.

(p) No Undisclosed Events or Circumstances. Since June 30, 2011, except as disclosed in the Reports and except as set forth in **Schedule 5(p)**, no event or circumstance has occurred or exists with respect to the Company or its businesses, properties, operations or financial condition, that, under applicable law, rule or regulation, requires public disclosure or announcement prior to the date hereof by the Company but which has not been so publicly announced or disclosed in the Reports.

(q) Banking. **Schedule 5(q)** contains a list of all financial institutions at which the Company and Subsidiaries maintain deposit, checking and other accounts. The list includes the accurate addresses of such financial institutions and account numbers of such accounts.

(r) Dilution. The Company's executive officers and directors understand the nature of the Securities being sold hereby and recognize that the issuance of the Securities will have a potential dilutive effect on the equity holdings of other holders of the Company's equity or rights to receive equity of the Company. The board of directors of the Company has concluded, in its good faith business judgment, that the issuance of the Securities is in the best interests of the Company. The Company specifically acknowledges that its obligation to issue the Conversion Shares upon conversion of the Notes and the Warrant Shares upon exercise of the Warrants is binding upon the Company and enforceable regardless of the dilution such issuance may have on the ownership interests of other shareholders of the Company or parties entitled to receive equity of the Company.

(s) No Disagreements with Accountants and Lawyers. There are no material disagreements of any kind presently existing, or reasonably anticipated by the Company to arise between the Company and the accountants and lawyers previously and presently employed by the Company, including but not limited to disputes or conflicts over payment owed to such accountants and lawyers, nor have there been any such disagreements during the two years prior to the Closing Date.

(t) Investment Company. Neither the Company nor any Affiliate of the Company is an “investment company” within the meaning of the Investment Company Act of 1940, as amended.

(u) Foreign Corrupt Practices. Neither the Company, nor to the knowledge of the Company, any agent or other person acting on behalf of the Company, has (i) directly or indirectly, used any funds for unlawful contributions, gifts, entertainment or other unlawful expenses related to foreign or domestic political activity, (ii) made any unlawful payment to foreign or domestic government officials or employees or to any foreign or domestic political parties or campaigns from corporate funds, (iii) failed to disclose fully any contribution made by the Company (or made by any person acting on its behalf of which the Company is aware) which is in violation of law, or (iv) violated in any material respect any provision of the Foreign Corrupt Practices Act of 1977, as amended.

(v) Reporting Company/Shell Company. The Company is a publicly-held company subject to reporting obligations pursuant to Section 13 of the Securities Exchange Act of 1934, as amended (the "1934 Act") and has a class of Common Stock registered pursuant to Section 12(g) of the 1934 Act. Pursuant to the provisions of the 1934 Act, the Company has timely filed all reports and other materials required to be filed thereunder with the Commission during the preceding twelve months. As of the Closing Date, the Company is not a “shell company” nor a “former shell company” as those terms are employed in Rule 144 under the 1933 Act.

(w) Listing. The Company's Common Stock is quoted on the Bulletin Board under the symbol AEMD. The Company has not received any pending oral or written notice that its Common Stock is not eligible nor will become ineligible for quotation on the Bulletin Board nor that its Common Stock does not meet all requirements for the continuation of such quotation and (ii) the Company satisfies all the requirements for the continued quotation of its Common Stock on the Bulletin Board.

(x) DTC Status. The Company’s transfer agent is a participant in, and the Common Stock is eligible for transfer pursuant to, the Depository Trust Company Automated Securities Transfer Program as described on **Schedule 5(x)**. The name, address, telephone number, fax number, contact person and email address of the Company transfer agent is set forth on **Schedule 5(x)** hereto.

(y) Company Predecessor and Subsidiaries. Except as set forth in **Schedule 5(a)**, the Company makes each of the representations contained in Sections 5(a), (b), (c), (d), (e), (f), (h), (j), (l), (o), (p), (q), (s), (t) and (u) of this Agreement, as same relate or could be applicable to each Subsidiary. All representations made by or relating to the Company of a historical or prospective nature and all undertakings described in Sections 9(g) through 9(l) shall relate, apply and refer to the Company and its predecessors. The Company represents that it owns all of the equity of the Subsidiaries and rights to receive equity of the Subsidiaries identified on **Schedule 5(a)**, free and clear of all liens, encumbrances and claims. No person or entity other than the Company has the right to receive any equity interest in the Subsidiaries. The Company further represents that the Subsidiaries have not been known by any other name for the prior five years.

(z) Correctness of Representations. The Company represents that the foregoing representations and warranties are true and correct as of the date hereof in all material respects, and, unless the Company otherwise notifies the Subscribers prior to the Closing Date, shall be true and correct in all material respects as of the Closing Date; provided, that, if such representation or warranty is made as of a different date, in which case such representation or warranty shall be true as of such date.

(AA) Survival. The foregoing representations and warranties shall survive the Closing Date.

6. Regulation D Offering/Legal Opinion. The offer and issuance of the Securities to the Subscribers is being made pursuant to the exemption from the registration provisions of the 1933 Act afforded by Section 4(2) or Section 4(6) of the 1933 Act and/or Rule 506 of Regulation D promulgated thereunder. On the Closing Date, the Company will provide an opinion reasonably acceptable to the Subscribers from the Company's legal counsel opining on the availability of an exemption from registration under the 1933 Act as it relates to the offer and issuance of the Securities and other matters reasonably requested by Subscribers. A form of the legal opinion is annexed hereto as **Exhibit D**. The Company will provide, at the Company's expense, to the Subscriber such other legal opinions, if any, as are reasonably necessary in each Subscriber's and such counsel's opinion for the issuance and resale of the Conversion Shares and Warrant Shares pursuant to an effective registration statement, Rule 144 under the 1933 Act or an exemption from registration.

7.1. Conversion of Notes.

(a) Upon the conversion of a Note or part thereof, the Company shall, at its own cost and expense, take all necessary action, including obtaining and delivering an opinion of counsel, to assure that the Company's transfer agent shall issue stock certificates in the name of a Subscriber (or its permitted nominee) or such other persons as designated by Subscriber and in such denominations to be specified at conversion representing the number of shares of Common Stock issuable upon such conversion. The Company warrants that no instructions other than these instructions have been or will be given to the transfer agent of the Company's Common Stock and that the certificates representing such shares shall contain no legend other than the legend set forth in Section 4(h). If and when a Subscriber sells the Conversion Shares, assuming (i) a registration statement including such Conversion Shares for registration has been filed with the Commission, is effective and the prospectus, as supplemented or amended, contained therein is current and (ii) Subscriber or its agent confirms in writing to the transfer agent that Subscriber has complied with the prospectus delivery requirements, the Company will reissue the Conversion Shares without restrictive legend and the Conversion Shares will be free-trading, and freely transferable. In the event that the Conversion Shares are sold in a manner that complies with an exemption from registration, the Company will promptly instruct its counsel to issue to the transfer agent an opinion permitting removal of the legend indefinitely, if pursuant to Rule 144(b)(1)(i) of the 1933 Act, provided that Subscriber delivers all reasonably requested representations in support of such opinion.

(b) Each Subscriber will give notice of its decision to exercise its right to convert its Note, interest, or part thereof by telecopying or otherwise delivering a completed Notice of Conversion (a form of which is annexed as **Exhibit A** to the Note) to the Company via confirmed telecopier transmission or otherwise pursuant to Section 13(a) of this Agreement. Subscriber will not be required to surrender the Note until the Note has been fully converted or satisfied. Each date on which a Notice of Conversion is telecopied to the Company in accordance with the provisions hereof by 6 PM Eastern Time ("ET") (or if received by the Company after 6 PM ET, then the next business day) shall be deemed a "**Conversion Date**." The Company will itself or cause the Company's transfer agent to transmit the Company's Common Stock certificates representing the Conversion Shares issuable upon conversion of the Note to Subscriber via express courier for receipt by Subscriber within five (5) business days after the Conversion Date (such fifth day being the "**Delivery Date**"). In the event the Conversion Shares are electronically transferable, then delivery of the Shares must be made by electronic transfer provided request for such electronic transfer has been made by the Subscriber. A Note representing the balance of the Note not so converted will be provided by the Company to Subscriber if requested by Subscriber, provided Subscriber delivers the original Note to the Company.

(c) The Company understands that a delay in the delivery of the Conversion Shares in the form required pursuant to Section 7.1 hereof later than the Delivery Date could result in economic loss to the Subscribers. As compensation to Subscribers for such loss, the Company agrees to pay (as liquidated damages and not as a penalty) to each applicable Subscriber for late issuance of Conversion Shares in the form required pursuant to Section 7.1 hereof upon Conversion of the Note, the amount of \$100 per business day after the Delivery Date for each \$10,000 of Note principal amount and interest (and proportionately for other amounts) being converted of the corresponding Conversion Shares which are not timely delivered. The Company shall pay any payments incurred under this Section upon demand. Furthermore, in addition to any other remedies which may be available to the Subscribers, in the event that the Company fails for any reason to effect delivery of the Conversion Shares within seven (7) business days after the Delivery Date, the relevant Subscriber will be entitled to revoke all or part of the relevant Notice of Conversion by delivery of a notice to such effect to the Company whereupon the Company and Subscriber shall each be restored to their respective positions immediately prior to the delivery of such notice, except that the damages payable in connection with the Company's default shall be payable through the date notice of revocation or rescission is given to the Company.

7.2. Mandatory Redemption at Subscriber's Election. Upon the occurrence of an Event of Default (as defined in the Note or in this Agreement), that continues for more than twenty (20) business days, (iii) a Change in Control (as defined below), or (iv) of the liquidation, dissolution or winding up of the Company, then at the Subscriber's election, the Company must pay to each Subscriber ten (30) business days after request by each Subscriber ("**Calculation Period**"), a sum of money determined by multiplying up to the outstanding principal amount of the Note designated by each such Subscriber by 120%, plus accrued but unpaid interest ("**Mandatory Redemption Payment**"). The Mandatory Redemption Payment must be received by each Subscriber not later than thirty (30) business days after request ("**Mandatory Redemption Payment Date**"). Upon receipt of the Mandatory Redemption Payment, the corresponding Note principal and interest will be deemed paid and no longer outstanding. For purposes of this Section 7.1, "**Change in Control**" shall mean (i) the Company no longer having a class of shares publicly traded or listed on a Principal Market (as defined in Section 9(b)), (ii) the Company becoming a Subsidiary of another entity (other than a corporation formed by the Company for purposes of reincorporation in another U.S. jurisdiction), (iii) a majority of the board of directors of the Company as of the Closing Date no longer serving as directors of the Company except due to natural causes, and (iv) the sale, lease or transfer of substantially all the assets of the Company or Subsidiaries.

7.3. Maximum Conversion. A Subscriber shall not be entitled to convert on a Conversion Date that amount of a Note nor may the Company make any payment including principal, interest, or liquidated or other damages by delivery of Conversion Shares in connection with that number of Conversion Shares which would be in excess of the sum of (i) the number of shares of Common Stock beneficially owned by such Subscriber and its Affiliates on a Conversion Date or payment date, and (ii) the number of Conversion Shares issuable upon the conversion of the Note with respect to which the determination of this provision is being made on a calculation date, which would result in beneficial ownership by Subscriber and its Affiliates of more than 4.99% of the outstanding shares of Common Stock of the Company on such Conversion Date. For the purposes of the immediately preceding sentence, beneficial ownership shall be determined in accordance with Section 13(d) of the Securities Exchange Act of 1934, as amended, and Rule 13d-3 thereunder. Subject to the foregoing, the Subscriber shall not be limited to aggregate conversions of only 4.99% and aggregate conversions by the Subscriber may exceed 4.99%. The Subscriber may increase the permitted beneficial ownership amount up to 9.99% upon and effective after 61 days prior written notice to the Company. Subscriber may allocate which of the equity of the Company deemed beneficially owned by Subscriber shall be included in the 4.99% amount described above and which shall be allocated to the excess above 4.99%.

7.4. Injunction Posting of Bond. In the event a Subscriber shall elect to convert a Note or part thereof, or exercise a Warrant, the Company may not refuse conversion or exercise based on any claim that Subscriber or anyone associated or affiliated with Subscriber has been engaged in any violation of law, or for any other reason, unless, a final non-appealable injunction from a court made on notice to Subscriber, restraining and or enjoining conversion of all or part of such Note or exercise of such Warrant shall have been sought and obtained by the Company or the Company has posted a surety bond for the benefit of Subscriber in the amount of 120% of the greater of the outstanding principal and accrued but unpaid interest of the Note, or aggregate purchase price of the Conversion Shares, or 120% of the aggregate exercise price of the Warrants which are sought to be subject to the injunction, which bond shall remain in effect until the completion of arbitration/litigation of the dispute and the proceeds of which shall be payable to Subscriber to the extent the judgment or decision is in Subscriber's favor.

7.5. Buy-In. In addition to any other rights available to Subscribers, if the Company fails to deliver to a Subscriber Conversion Shares by the Delivery Date and if after the Delivery Date Subscriber or a broker on Subscriber's behalf purchases (in an open market transaction or otherwise) shares of Common Stock to deliver in satisfaction of a sale by Subscriber of the Common Stock which Subscriber was entitled to receive upon such conversion (a "**Buy-In**"), then the Company shall pay to Subscriber (in addition to any remedies available to or elected by the Subscriber) the amount by which (A) Subscriber's total purchase price (including brokerage commissions, if any) for the shares of Common Stock so purchased exceeds (B) the aggregate principal and/or interest amount of the Note for which such conversion request was not timely honored together with interest thereon at a rate of 15% per annum, accruing until such amount and any accrued interest thereon is paid in full (which amount shall be paid as liquidated damages and not as a penalty). For example, if a Subscriber purchases shares of Common Stock having a total purchase price of \$11,000 to cover a Buy-In with respect to an attempted conversion of \$10,000 of Note principal and/or interest, the Company shall be required to pay Subscriber \$1,000 plus interest. Subscriber shall provide the Company written notice and evidence indicating the amounts payable to Subscriber in respect of the Buy-In.

7.6. Adjustments. The Conversion Price, Warrant exercise price and amount of Conversion Shares and Warrant Shares shall be equitably adjusted and as otherwise described in this Agreement, the Notes and Warrants.

7.7. Redemption. The Note shall not be redeemable or callable by the Company, except as described in the Note.

8. Fees.

(a) Commission. The Company on the one hand, and each Subscriber (for himself only) on the other hand, agree to indemnify the other against and hold the other harmless from any and all liabilities to any persons claiming brokerage commissions or finder's fees on account of services purported to have been rendered on behalf of the indemnifying party in connection with this Agreement or the transactions contemplated hereby or in connection with any investment in the Company at any time, whether or not such investment was consummated and arising out of such party's actions. The Company represents that there are no parties entitled to receive fees, commissions, or similar payments in connection with the Offering except for a due diligence fee described on **Schedule 8(a)** hereto which the Company agrees will be paid by the Company on the Closing Date ("**Due Diligence Fee**").

(b) Subscriber's Legal Fees. The Company shall pay to Grushko & Mittman, P.C., a cash fee of \$10,000 ("**Subscriber's Legal Fees**") as reimbursement for services rendered to the Subscribers in connection with this Agreement and the purchase and sale of the Notes and Warrants (the "**Offering**"). The Subscriber's Legal Fees and expenses will be payable out of funds held pursuant to the Escrow Agreement.

9. Covenants of the Company. The Company covenants and agrees with the Subscribers as follows:

(a) Stop Orders. Subject to the prior notice requirement described in Section 9(n), the Company will advise the Subscribers, within twenty-four hours after it receives notice of issuance by the Commission, any state securities commission or any other regulatory authority of any stop order or of any order preventing or suspending any offering of any securities of the Company, or of the suspension of the qualification of the Common Stock of the Company for offering or sale in any jurisdiction, or the initiation of any proceeding for any such purpose. The Company will not issue any stop transfer order or other order impeding the sale, resale or delivery of any of the Securities, except as may be required by any applicable federal or state securities laws and unless contemporaneous notice of such instruction is given to the Subscribers.

(b) Listing/Quotation. The Company shall promptly secure the quotation or listing of the Conversion Shares and Warrant Shares upon each national securities exchange, or automated quotation system upon which the Company's Common Stock is quoted or listed and upon which such Conversion Shares and Warrant Shares are or become eligible for quotation or listing (subject to official notice of issuance) and shall maintain same so long as any Notes and Warrants are outstanding. The Company will maintain the quotation or listing of its Common Stock on the American Stock Exchange, Nasdaq Capital Market, Nasdaq Global Market, Nasdaq Global Select Market, Bulletin Board, or New York Stock Exchange (whichever of the foregoing is at the time the principal trading exchange or market for the Common Stock (the "**Principal Market**"), and will comply in all respects with the Company's reporting, filing and other obligations under the bylaws or rules of the Principal Market, as applicable. The Company will provide Subscribers with copies of all notices it receives notifying the Company of the threatened and actual delisting of the Common Stock from any Principal Market. As of the date of this Agreement and the Closing Date, the Bulletin Board is and will be the Principal Market.

(c) Market Regulations. If required, the Company shall notify the Commission, the Principal Market and applicable state authorities, in accordance with their requirements, of the transactions contemplated by this Agreement, and shall take all other necessary action and proceedings as may be required and permitted by applicable law, rule and regulation, for the legal and valid issuance of the Securities to the Subscribers and promptly provide copies thereof to the Subscribers.

(d) Filing Requirements. From the date of this Agreement and until the last to occur of (i) all the Conversion Shares have been resold or transferred by the Subscribers pursuant to a registration statement or pursuant to Rule 144(b)(1)(i), or (ii) the Notes and Warrants are no longer outstanding (the date of such latest occurrence being the "**End Date**"), the Company will (A) cause its Common Stock to continue to be registered under Section 12(b) or 12(g) of the 1934 Act, (B) comply in all respects with its reporting and filing obligations under the 1934 Act, (C) voluntarily comply with all reporting requirements that are applicable to an issuer with a class of shares registered pursuant to Section 12(g) of the 1934 Act, if the Company is not subject to such reporting requirements, and (D) comply with all requirements related to any registration statement filed pursuant to this Agreement. The Company will use its best efforts not to take any action or file any document (whether or not permitted by the 1933 Act or the 1934 Act or the rules thereunder) to terminate or suspend such registration or to terminate or suspend its reporting and filing obligations under said acts until the End Date. Until the End Date, the Company will continue the listing or quotation of the Common Stock on a Principal Market and will comply in all respects with the Company's reporting, filing and other obligations under the bylaws or rules of the Principal Market. The Company agrees to timely file a Form D with respect to the Securities if required under Regulation D and to provide a copy thereof to Subscribers promptly after such filing.

(e) Use of Proceeds. The proceeds of the Offering will be employed by the Company specifically for the purposes as disclosed on **Schedule 9(e)**. The Purchase Price may not and will not be used for accrued and unpaid officer and director salaries, payment of financing related debt, redemption of outstanding notes or equity instruments of the Company nor non-trade obligations outstanding on the Closing Date. For so long as any Note is outstanding, the Company will not prepay any financing related debt obligations, except equipment payments, nor redeem any equity instruments of the Company without the prior consent of the Subscribers.

(f) **Reservation.** Prior to the Closing Date, the Company undertakes to reserve on behalf of Subscribers from its authorized but unissued Common Stock, a number of shares of Common Stock equal to 150% of the amount of Common Stock necessary to allow Subscribers to be able to convert the entire Notes and 100% of the amount of Warrant Shares issuable upon exercise of the Warrants (“**Required Reservation**”). Failure to have sufficient shares reserved pursuant to this Section 9(f) at any time shall be a material default of the Company’s obligations under this Agreement and an Event of Default under the Notes. If at any time Notes and Warrants are outstanding the Company has insufficient Common Stock reserved on behalf of the Subscribers in an amount less than 125% of the amount necessary for full conversion of the outstanding Notes principal and interest at the conversion price that would be in effect on every such date and 100% of the Warrant Shares (“**Minimum Required Reservation**”), the Company will promptly reserve the Minimum Required Reservation, or if there are insufficient authorized and available shares of Common Stock to do so, the Company will take all action necessary to increase its authorized capital to be able to fully satisfy its reservation requirements hereunder, including the filing of a preliminary proxy with the Commission not later than fifteen business days after the first day the Company has less than the Minimum Required Reservation. The Company agrees to provide notice to the Subscribers not later than three days after the date the Company has less than the Minimum Required Reservation reserved on behalf of the Subscriber.

(g) **DTC Program.** At all times that Notes or Warrants are outstanding, the Company will employ as the transfer agent for the Common Stock, Conversion Shares and Warrant Shares a participant in the Depository Trust Company Automated Securities Transfer Program.

(h) **Taxes.** From the date of this Agreement and until the End Date, the Company will promptly pay and discharge, or cause to be paid and discharged, when due and payable, all lawful taxes, assessments and governmental charges or levies imposed upon the income, profits, property or business of the Company; provided, however, that any such tax, assessment, charge or levy need not be paid if the validity thereof shall currently be contested in good faith by appropriate proceedings and if the Company shall have set aside on its books adequate reserves with respect thereto, and provided, further, that the Company will pay all such taxes, assessments, charges or levies forthwith upon the commencement of proceedings to foreclose any lien which may have attached as security therefore.

(i) **Insurance.** From the date of this Agreement and until the End Date, the Company will keep its assets which are of an insurable character insured by financially sound and reputable insurers against loss or damage by fire, explosion and other risks customarily insured against by companies in the Company’s line of business and location, in amounts and to the extent and in the manner customary for companies in similar businesses similarly situated and located and to the extent available on commercially reasonable terms.

(j) **Books and Records.** From the date of this Agreement and until the End Date, the Company will keep true records and books of account in which full, true and correct entries will be made of all dealings or transactions in relation to its business and affairs in accordance with generally accepted accounting principles applied on a consistent basis.

(k) **Governmental Authorities.** From the date of this Agreement and until the End Date, the Company shall duly observe and conform in all material respects to all valid requirements of governmental authorities relating to the conduct of its business or to its properties or assets.

(l) Intellectual Property. From the date of this Agreement and until the End Date, the Company shall maintain in full force and effect its corporate existence, rights and franchises and all licenses and other rights to use intellectual property owned or possessed by it and reasonably deemed to be necessary to the conduct of its business, unless it is sold for value.

(m) Properties. From the date of this Agreement and until the End Date, the Company will keep its properties in good repair, working order and condition, reasonable wear and tear excepted, and from time to time make all necessary and proper repairs, renewals, replacements, additions and improvements thereto; and the Company will at all times comply with each provision of all leases and claims to which it is a party or under which it occupies or has rights to property if the breach of such provision could reasonably be expected to have a Material Adverse Effect. The Company will not abandon any of its assets except for those assets which have negligible or marginal value or for which it is prudent to do so under the circumstances.

(n) Confidentiality/Public Announcement. From the date of this Agreement and until the End Date, the Company agrees that except in connection with a Form 8-K, Form 10-Q, Form 10-K and the registration statement or statements regarding the Subscribers' Securities or in correspondence with the Commission regarding same, it will not disclose publicly or privately the identity of the Subscribers unless expressly agreed to in writing by Subscribers or only to the extent required by law and then only upon not less than three days prior notice to Subscribers. In any event and subject to the foregoing, the Company undertakes to file a Form 8-K describing the Offering not later than the first (1st) business day after the Closing Date. Prior to the filing date of such Form 8-K, a draft in the final form will be provided to Subscribers for Subscribers' review and approval. In the Form 8-K, the Company will specifically disclose the amount of Common Stock outstanding immediately after the Closing. Upon delivery by the Company to the Subscribers after the Closing Date of any notice or information, in writing, electronically or otherwise, and while a Note, Conversion Shares or Warrants are held by Subscribers, unless the Company has in good faith determined that the matters relating to such notice do not constitute material, nonpublic information relating to the Company or Subsidiaries, the Company shall within one business day after any such delivery publicly disclose such material, nonpublic information on a Report on Form 8-K. **In the event that the Company believes that a notice or communication to Subscribers contains material, nonpublic information relating to the Company or Subsidiaries, the Company shall so indicate to Subscribers prior to delivery of such notice or information. Subscribers will be granted sufficient time to notify the Company that Subscribers elects not to receive such information. In such case, the Company will not deliver such information to Subscribers. In the absence of any such indication, Subscribers shall be allowed to presume that all matters relating to such notice and information do not constitute material, nonpublic information relating to the Company or Subsidiaries.**

(o) Non-Public Information. The Company covenants and agrees that except for the Reports, Other Written Information and schedules and exhibits to this Agreement and the Transaction Documents, which information the Company undertakes to publicly disclose on the Form 8-K described in Section 9(n) above, neither it nor any other person acting on its behalf will at any time provide Subscribers or its agents or counsel with any information that the Company believes constitutes material non-public information, unless prior thereto Subscribers shall have agreed in writing to accept such information. The Company understands and confirms that Subscribers shall be relying on the foregoing representations in effecting transactions in securities of the Company.

(p) Negative Covenants. So long as a Note is outstanding, without the consent of the Subscribers, the Company will not and will not permit any of its Subsidiaries to directly or indirectly:

(i) create, incur, assume or suffer to exist any pledge, hypothecation, assignment, deposit arrangement, lien, charge, claim, security interest, security title, mortgage, security deed or deed of trust, easement or encumbrance, or preference, priority or other security agreement or preferential arrangement of any kind or nature whatsoever (including any lease or title retention agreement, any financing lease having substantially the same economic effect as any of the foregoing, and the filing of, or agreement to give, any financing statement perfecting a security interest under the Uniform Commercial Code or comparable law of any jurisdiction) (each, a “**Lien**”) upon any of its property, whether now owned or hereafter acquired except for: (A) the Excepted Issuances (as defined in Section 12(a) hereof), and (B) (a) Liens imposed by law for taxes that are not yet due or are being contested in good faith and for which adequate reserves have been established in accordance with generally accepted accounting principles; (b) carriers’, warehousemen’s, mechanics’, material men’s, repairmen’s and other like Liens imposed by law, arising in the ordinary course of business and securing obligations that are not overdue by more than 30 days or that are being contested in good faith and by appropriate proceedings; (c) pledges and deposits made in the ordinary course of business in compliance with workers’ compensation, unemployment insurance and other social security laws or regulations; (d) deposits to secure the performance of bids, trade contracts, leases, statutory obligations, surety and appeal bonds, performance bonds and other obligations of a like nature, in each case in the ordinary course of business; (e) Liens created with respect to the financing of the purchase of new property in the ordinary course of the Company’s business up to the amount of the purchase price of such property; and (f) easements, zoning restrictions, rights-of-way and similar encumbrances on real property imposed by law or arising in the ordinary course of business that do not secure any monetary obligations and do not materially detract from the value of the affected property (each of (a) through (f), a “**Permitted Lien**”);

(ii) amend its certificate of incorporation, bylaws or its charter documents so as to materially and adversely affect any rights of the Subscribers (an increase in the amount of authorized shares and an increase in the number of directors will not be deemed adverse to the rights of the Subscribers);

(iii) repay, repurchase or offer to repay, repurchase or otherwise acquire or make any dividend or distribution in respect of any of its Common Stock, preferred stock, or other equity securities other than to the extent permitted or required under the Transaction Documents;

(iv) prepay or redeem any financing related debt or past due obligations or securities outstanding as of the Closing Date, or past due obligations (except with respect to vendor obligations, or any such obligations which in management’s good faith, reasonable judgment must be repaid to avoid disruption of the Company’s businesses).

(q) Seniority. Except for Permitted Liens, until the Notes are fully satisfied or converted, the Company shall not grant nor allow any security interest to be taken in any assets of the Company or any Subsidiary or any Subsidiary’s assets; nor issue any debt, equity or other instrument which would give the holder thereof directly or indirectly, a right in any assets of the Company or any Subsidiary or any right to payment equal to or superior to any right of the Subscribers as holders of the Notes in or to such assets or payment, nor issue or incur any debt not in the ordinary course of business.

(r) Notices. For so long as the Subscribers hold any Securities, the Company will maintain a United States address and United States fax number for notice purposes under the Transaction Documents.

10. Covenants of the Company Regarding Indemnification.

(a) Indemnification. The Company agrees to indemnify, hold harmless, reimburse and defend the Subscribers, the Subscribers’ officers, directors, agents, counsel, Affiliates, members, managers, control persons, and principal shareholders, against any claim, cost, expense, liability, obligation, loss or damage (including reasonable legal fees) of any nature, incurred by or imposed upon the Subscribers or any such person which results, arises out of or is based upon (i) any material misrepresentation by Company or breach of any representation or warranty by Company in this Agreement or in any Exhibits or Schedules attached hereto in any Transaction Document, or other agreement delivered pursuant hereto or in connection herewith, now or after the date hereof; or (ii) after any applicable notice and/or cure periods, any breach or default in performance by the Company of any covenant or undertaking to be performed by the Company hereunder, or any other agreement entered into by the Company and Subscribers relating hereto.

(b) Indemnification Procedures. Promptly after receipt by an indemnified party hereunder of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party hereunder, notify the indemnifying party in writing thereof, but the omission so to notify the indemnifying party shall not relieve it from any liability which it may have to such indemnified party other than under this Section 10(b) and shall only relieve it from any liability which it may have to such indemnified party under this Section 10(b), except and only if and to the extent the indemnifying party is prejudiced by such omission. In case any such action shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate in and, to the extent it shall wish, to assume and undertake the defense thereof with counsel satisfactory to such indemnified party, and, after notice from the indemnifying party to such indemnified party of its election so to assume and undertake the defense thereof, the indemnifying party shall not be liable to such indemnified party under this Section 10(b) for any legal expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation and of liaison with counsel so selected, provided, however, that, if the defendants in any such action include both the indemnified party and the indemnifying party and the indemnifying party shall have reasonably concluded that there may be reasonable defenses available to indemnified party which are different from or additional to those available to the indemnifying party or if the interests of the indemnified party reasonably may be deemed to conflict with the interests of the indemnifying party, the indemnified parties, as a group, shall have the right to select one separate counsel, reasonably satisfactory to the indemnified and indemnifying party, and to assume such legal defenses and otherwise to participate in the defense of such action, with the reasonable expenses and fees of such separate counsel and other expenses related to such participation to be reimbursed by the indemnifying party as incurred.

11. Additional Post-Closing Obligations.

11.1. Delivery of Unlegended Shares.

(a) Within three (3) business days (such third business day being the “**Unlegended Shares Delivery Date**”) after the business day on which the Company has received (i) a notice that Conversion Shares, or any other Common Stock held by Subscriber has been sold pursuant to a registration statement or Rule 144 under the 1933 Act, (ii) a representation that the prospectus delivery requirements, or the requirements of Rule 144, as applicable and if required, have been satisfied, (iii) the original share certificates representing the shares of Common Stock that have been sold, and (iv) in the case of sales under Rule 144, customary representation letters of the Subscriber and, if required, Subscriber’s broker regarding compliance with the requirements of Rule 144, the Company at its expense, (y) shall deliver, and shall cause legal counsel selected by the Company to deliver to its transfer agent (with copies to Subscriber) an appropriate instruction and opinion of such counsel, directing the delivery of shares of Common Stock without any legends including the legend set forth in Section 4(h) above (the “**Unlegended Shares**”); and (z) cause the transmission of the certificates representing the Unlegended Shares together with a legended certificate representing the balance of the submitted Common Stock certificate, if any, to the Subscriber at the address specified in the notice of sale, via express courier, by electronic transfer or otherwise on or before the Unlegended Shares Delivery Date.

(b) In lieu of delivering physical certificates representing the Unlegended Shares, upon request of Subscriber, so long as the certificates therefor do not bear a legend and the Subscriber is not obligated to return such certificate for the placement of a legend thereon, the Company shall cause its transfer agent to electronically transmit the Unlegended Shares by crediting the account of Subscriber's prime broker with the Depository Trust Company through its Deposit Withdrawal Agent Commission system, if such transfer agent participates in such DWAC system. Such delivery must be made on or before the Unlegended Shares Delivery Date.

(c) The Company understands that a delay in the delivery of the Unlegended Shares pursuant to Section 11 hereof later than the Unlegended Shares Delivery Date could result in economic loss to a Subscriber. As compensation to a Subscriber for such loss, the Company agrees to pay late payment fees (as liquidated damages and not as a penalty) to the Subscriber for late delivery of Unlegended Shares in the amount of \$100 per business day after the Delivery Date for each \$10,000 of purchase price of the Unlegended Shares subject to the delivery default. If during any 360 day period, the Company fails to deliver Unlegended Shares as required by this Section 11.1 for an aggregate of thirty days, then each Subscriber or assignee holding Securities subject to such default may, at its option, require the Company to redeem all or any portion of the Shares subject to such default at a price per share equal to the greater of (i) 120%, or (ii) a fraction in which the numerator is the highest closing price of the Common Stock during the aforescribed thirty day period and the denominator of which is the lowest conversion price during such thirty day period, multiplied by the price paid by Subscriber for such Common Stock ("**Unlegended Redemption Amount**"). The Company shall pay any payments incurred under this Section in immediately available funds upon demand.

(d) In the event a Subscriber shall request delivery of Unlegended Shares as described in Section 11.1 and the Company is required to deliver such Unlegended Shares pursuant to Section 11.1, the Company may not refuse to deliver Unlegended Shares based on any claim that such Subscriber or anyone associated or affiliated with such Subscriber has been engaged in any violation of law, or for any other reason, unless, an injunction or temporary restraining order from a court, on notice, restraining and or enjoining delivery of such Unlegended Shares shall have been sought and obtained by the Company and the Company has posted a surety bond for the benefit of such Subscriber in the amount of 120% of the amount of the aggregate purchase price of the Common Stock which are subject to the injunction or temporary restraining order, which bond shall remain in effect until the completion of arbitration/litigation of the dispute and the proceeds of which shall be payable to such Subscriber to the extent Subscriber obtains judgment in Subscriber's favor.

(e) In addition to any other rights available to Subscriber, if the Company fails to deliver to a Subscriber Unlegended Shares as required pursuant to this Agreement and after the Unlegended Shares Delivery Date, the Subscriber or a broker on the Subscriber's behalf, purchases (in an open market transaction or otherwise) shares of common stock to deliver in satisfaction of a sale by such Subscriber of the shares of Common Stock which the Subscriber was entitled to receive from the Company (a "**Buy-In**"), then the Company shall pay in cash to the Subscriber (in addition to any remedies available to or elected by the Subscriber) the amount by which (A) the Subscriber's total purchase price (including brokerage commissions, if any) for the shares of common stock so purchased exceeds (B) the aggregate purchase price of the shares of Common Stock delivered to the Company for reissuance as Unlegended Shares together with interest thereon at a rate of 15% per annum accruing until such amount and any accrued interest thereon is paid in full (which amount shall be paid as liquidated damages and not as a penalty). For example, if a Subscriber purchases shares of Common Stock having a total purchase price of \$11,000 to cover a Buy-In with respect to \$10,000 of purchase price of shares of Common Stock delivered to the Company for reissuance as Unlegended Shares, the Company shall be required to pay the Subscriber \$1,000, plus interest. The Subscriber shall provide the Company written notice indicating the amounts payable to the Subscriber in respect of the Buy-In.

11.2. **144 Default.** In the event commencing six months after the Closing Date and ending twenty-four months thereafter, the Subscriber is not permitted to resell any of the Conversion Shares without any restrictive legend or if such sales are permitted but subject to volume limitations or further restrictions on resale as a result of the unavailability to Subscriber of Rule 144(b)(1)(i) under the 1933 Act or any successor rule (a “**144 Default**”), for any reason except for Subscriber’s status as an Affiliate or “control person” of the Company, or as a result of a change in current applicable securities laws, then the Company shall pay such Subscriber as liquidated damages and not as a penalty an amount equal to two percent (2%) for each thirty days (or such lesser pro-rata amount for any period less than thirty days) thereafter of the purchase price of the Conversion Shares subject to such 144 Default during the pendency of the 144 Default. Liquidated Damages shall not be payable pursuant to this Section 11.2 in connection with Shares for such times as such Shares may be sold by the holder thereof without volume or other restrictions pursuant to Section 144(b)(1)(i) of the 1933 Act or pursuant to an effective registration statement.

12. (a) **Favored Nations Provision.** Other than in connection with (i) full or partial consideration in connection with a strategic merger, acquisition, consolidation or purchase of substantially all of the securities or assets of a corporation or other entity which holders of such securities or debt are not at any time granted registration rights, (ii) the Company’s issuance of securities in connection with strategic license agreements and other partnering arrangements so long as such issuances are not for the purpose of raising capital and which holders of such securities or debt are not at any time granted registration rights, (iii) the Company’s issuance of Common Stock or the issuances or grants of options to purchase Common Stock to employees, directors, and consultants, pursuant to plans described on **Schedule 5(d)** as such plans are constituted on the Closing Date and including an additional 4,000,000 share amendment to such plans disclosed on Schedule 5(d) and contemplated to be effective on or about September 16, 2011, *provided however*, that after the Notes are no longer outstanding, such plans may be increased or modified and such increased shares shall be included in this clause (iii), (iv) securities upon the exercise or exchange of or conversion of any securities exercisable or exchangeable for or convertible into shares of Common Stock issued and outstanding on the date of this Agreement on the terms in effect on the Closing Date including the permissible amendment thereof after the Closing Date, and described on **Schedule 5(d)**, and (v) as a result of the exercise of Warrants or conversion of Notes which are granted or issued pursuant to this Agreement (collectively, the foregoing (i) through (v) are “**Excepted Issuances**”), if at any time the Notes or Warrants are outstanding, the Company shall agree to or issue (the “**Lower Price Issuance**”) any Common Stock or securities convertible into or exercisable for shares of Common Stock (or modify any of the foregoing which may be outstanding) to any person or entity at a price per share or conversion or exercise price per share which shall be less than the Conversion Price in effect at such time, or if less than the Warrant exercise price in effect at such time, without the consent of the Subscribers, then the Conversion Price and Warrant exercise price shall automatically be reduced to such other lower price. The average Purchase Price of the Conversion Shares and average exercise price in relation to the Warrant Shares shall be calculated separately for the Conversion Shares and Warrant Shares. Common Stock issued or issuable by the Company for no consideration or for consideration that cannot be determined at the time of issue will be deemed issuable or to have been issued for \$0.001 per share of Common Stock. A convertible instrument (including a right to purchase equity of the Company) issued, subject to an original issue or similar discount or which principal amount is directly or indirectly increased after issuance will be deemed to have been issued for the actual cash amount received by the Company in consideration of such convertible instrument. The rights of Subscribers set forth in this Section 12 are in addition to any other rights the Subscribers have pursuant to this Agreement, the Notes, Warrants, any Transaction Document, and any other agreement referred to or entered into in connection herewith or to which Subscriber and Company are parties.

(b) Maximum Exercise of Rights. In the event the exercise of the rights described in Section 12(a) would or could result in the issuance of an amount of Common Stock of the Company that would exceed the maximum amount that may be issued to Subscribers calculated in the manner described in Section 7.3 of this Agreement, then the issuance of such additional shares of Common Stock of the Company to Subscribers will be deferred in whole or in part until such time as Subscribers are able to beneficially own such Common Stock without exceeding the applicable maximum amount set forth calculated in the manner described in Section 7.3 of this Agreement and notifies the Company accordingly.

Neither the Company nor the Subscribers have relied on any representations not contained or referred to in this Agreement and the documents delivered herewith. No right or obligation of the Company shall be assigned without prior notice to and the written consent of the Subscribers.

(c) Counterparts/Execution. This Agreement may be executed in any number of counterparts and by the different signatories hereto on separate counterparts, each of which, when so executed, shall be deemed an original, but all such counterparts shall constitute but one and the same instrument. This Agreement may be executed by facsimile signature and delivered by facsimile transmission.

(d) Law Governing this Agreement. This Agreement shall be governed by and construed in accordance with the laws of the State of New York without regard to principles of conflicts of laws. Any action brought by either party against the other concerning the transactions contemplated by this Agreement shall be brought only in the state courts of New York or in the federal courts located in the state and county of New York. The parties to this Agreement hereby irrevocably waive any objection to jurisdiction and venue of any action instituted hereunder and shall not assert any defense based on lack of jurisdiction or venue or based upon forum non conveniens. **The parties executing this Agreement and other agreements referred to herein or delivered in connection herewith on behalf of the Company agree to submit to the in personam jurisdiction of such courts and hereby irrevocably waive trial by jury.** The prevailing party shall be entitled to recover from the other party its reasonable attorney's fees and costs. In the event that any provision of this Agreement or any other agreement delivered in connection herewith is invalid or unenforceable under any applicable statute or rule of law, then such provision shall be deemed inoperative to the extent that it may conflict therewith and shall be deemed modified to conform with such statute or rule of law. Any such provision which may prove invalid or unenforceable under any law shall not affect the validity or enforceability of any other provision of any agreement. Each party hereby irrevocably waives personal service of process and consents to process being served in any suit, action or proceeding in connection with this Agreement or any other Transaction Document by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any other manner permitted by law.

(e) Specific Enforcement, Consent to Jurisdiction. The Company and Subscribers acknowledge and agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the parties shall be entitled to seek an injunction or injunctions to prevent or cure breaches of the provisions of this Agreement and to enforce specifically the terms and provisions hereof, this being in addition to any other remedy to which any of them may be entitled by law or equity. Subject to Section 13(d) hereof, the Company hereby irrevocably waives, and agrees not to assert in any such suit, action or proceeding, any claim that it is not personally subject to the jurisdiction in New York of such court, that the suit, action or proceeding is brought in an inconvenient forum or that the venue of the suit, action or proceeding is improper. Nothing in this Section shall affect or limit any right to serve process in any other manner permitted by law.

(f) Damages. In the event the Subscriber is entitled to receive any liquidated damages pursuant to the Transactions Documents, the Subscriber may elect to receive the greater of actual damages or such liquidated damages.

(g) Maximum Payments. Nothing contained herein or in any document referred to herein or delivered in connection herewith shall be deemed to establish or require the payment of a rate of interest or other charges in excess of the maximum permitted by applicable law. In the event that the rate of interest or dividends required to be paid or other charges hereunder exceed the maximum permitted by such law, any payments in excess of such maximum shall be credited against amounts owed by the Company to the Subscribers and thus refunded to the Company.

(h) Calendar Days. All references to "days" in the Transaction Documents shall mean calendar days unless otherwise stated. The terms "business days" and "trading days" shall mean days that the New York Stock Exchange is open for trading for three or more hours. Time periods shall be determined as if the relevant action, calculation or time period were occurring in New York City. Any deadline that falls on a non-business day in any of the Transaction Documents shall be automatically extended to the next business day and interest, if any, shall be calculated and payable through such extended period.

(i) Captions: Certain Definitions. The captions of the various sections and paragraphs of this Agreement have been inserted only for the purposes of convenience; such captions are not a part of this Agreement and shall not be deemed in any manner to modify, explain, enlarge or restrict any of the provisions of this Agreement. As used in this Agreement the term "person" shall mean and include an individual, a partnership, a joint venture, a corporation, a limited liability company, a trust, an unincorporated organization and a government or any department or agency thereof.

(j) Consent. As used in this Agreement and the Transaction Documents and any other agreement delivered in connection herewith, “consent of the Subscribers” or similar language means the consent of holders of not less than 70% of the outstanding principal amount of the Notes on the date consent is requested (such amount being a “**Majority in Interest**”). A Majority in Interest may consent to take or forebear from any action permitted under or in connection with the Transaction Documents, modify any Transaction Documents or waive any default or requirement applicable to the Company, Subsidiaries or Subscribers under the Transaction Documents provided the effect of such action does not waive any accrued interest or damages and further provided that the relative rights of the Subscribers to each other remains unchanged.

(k) Severability. In the event that any term or provision of this Agreement shall be finally determined to be superseded, invalid, illegal or otherwise unenforceable pursuant to applicable law by an authority having jurisdiction and venue, that determination shall not impair or otherwise affect the validity, legality or enforceability: (i) by or before that authority of the remaining terms and provisions of this Agreement, which shall be enforced as if the unenforceable term or provision were deleted, or (ii) by or before any other authority of any of the terms and provisions of this Agreement.

(l) Successor Laws. References in the Transaction Documents to laws, rules, regulations and forms shall also include successors to and functionally equivalent replacements of such laws, rules, regulations and forms. A successor rule to Rule 144(b)(1)(i) shall include any rule that would be available to a non-Affiliate of the Company for the sale of Common Stock not subject to volume restrictions and after a six month holding period.

(m) Allocation of Purchase Price. The Purchase Price will be allocated at Subscriber’s election, among the components of the Securities so that each component of the Securities will be fully paid and non-assessable.

(n) Maximum Liability. In no event shall the liability of the Subscribers or permitted successor hereunder or under any Transaction Document or other agreement delivered in connection herewith be greater in amount than the dollar amount of the net proceeds actually received by such Subscriber or successor upon the sale of Conversion shares (as defined herein).

(o) Independent Nature of Subscribers. The Company acknowledges that the obligations of each Subscriber under the Transaction Documents are several and not joint with the obligations of any other Subscriber, and no Subscriber shall be responsible in any way for the performance of the obligations of any other Subscriber under the Transaction Documents. The Company acknowledges that each Subscriber has represented that the decision of each Subscriber to purchase Securities has been made by such Subscriber independently of any other Subscriber and independently of any information, materials, statements or opinions as to the business, affairs, operations, assets, properties, liabilities, results of operations, condition (financial or otherwise) or prospects of the Company which may have been made or given by any other Subscriber or by any agent or employee of any other Subscriber, and no Subscriber or any of its agents or employees shall have any liability to any other Subscriber (or any other person) relating to or arising from any such information, materials, statements or opinions. The Company acknowledges that nothing contained in any Transaction Document, and no action taken by any Subscriber pursuant hereto or thereto shall be deemed to constitute the Subscribers as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that the Subscribers are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated by the Transaction Documents. The Company acknowledges that it has elected to provide all Subscribers with the same terms and Transaction Documents for the convenience of the Company and not because Company was required or requested to do so by the Subscribers. The Company acknowledges that such procedure with respect to the Transaction Documents in no way creates a presumption that the Subscribers are in any way acting in concert or as a group with respect to the Transaction Documents or the transactions contemplated thereby.

(p) Equal Treatment. No consideration shall be offered or paid to any person to amend or consent to a waiver or modification of any provision of the Transaction Documents unless the same consideration is also offered and paid to all the Subscribers and their permitted successors and assigns.

CONVERTIBLE PROMISSORY NOTE

FOR VALUE RECEIVED, AETHLON MEDICAL, INC., a Nevada corporation (hereinafter called "**Borrower**"), hereby promises to pay to the order of _____ (the "**Holder**"), without demand, the sum of _____ Dollars (\$ _____ .00) ("**Principal Amount**"), with interest accruing thereon, on September 23, 2012 (the "**Maturity Date**"), if not sooner paid.

This Note has been entered into pursuant to the terms of a subscription agreement between the Borrower, the Holder and the other signatories thereto ("**Other Holders**") dated at or about the date hereof (the "**Subscription Agreement**"), who have been issued Notes pursuant to the Subscription Agreement ("**Other Notes**") and shall be governed by the terms of such Subscription Agreement. Unless otherwise separately defined herein, all capitalized terms used in this Note shall have the same meaning as is set forth in the Subscription Agreement. The following terms shall apply to this Note:

ARTICLE I

GENERAL PROVISIONS

1.1 Payment Grace Period. The Borrower shall not have any grace period to pay any monetary amounts due under this Note. During the pendency of an Event of Default (as described in Article III), a default interest rate of eighteen percent (18%) per annum shall be in effect.

1.2 Conversion Privileges. The Conversion Rights set forth in Article II shall remain in full force and effect immediately from the date hereof and until the Note is paid in full regardless of the occurrence of an Event of Default. This Note shall be payable in full on the Maturity Date, unless previously converted into Common Stock in accordance with Article II hereof.

ARTICLE II
CONVERSION RIGHTS

The Holder shall have the right to convert the principal and any interest due under this Note into Shares of the Borrower's Common Stock, \$.001 par value per share ("**Common Stock**") as set forth below.

2.1. Conversion into the Borrower's Common Stock

(a) The Holder shall have the right from and after the date of the issuance of this Note and then at any time until this Note is fully paid, to convert any outstanding and unpaid principal portion of this Note, and/or accrued interest, at the election of the Holder (the date of giving of such notice of conversion being a "**Conversion Date**") into fully paid and non-assessable shares of Common Stock as such stock exists on the date of issuance of this Note, or any shares of capital stock of Borrower into which such Common Stock shall hereafter be changed or reclassified, at the conversion price as defined in Section 2.1(b) hereof (the "**Conversion Price**"), determined as provided herein. Upon delivery to the Borrower of a completed Notice of Conversion, a form of which is annexed hereto as Exhibit A, Borrower shall issue and deliver to the Holder within three (3) business days after the Conversion Date (such third day being the "**Delivery Date**") that number of shares of Common Stock for the portion of the Note converted in accordance with the foregoing. At the election of the Holder, the Borrower will deliver accrued but unpaid interest on the Note, if any, through the Conversion Date directly to the Holder on or before the Delivery Date. The number of shares of Common Stock to be issued upon each conversion of this Note shall be determined by dividing that portion of the principal of the Note and interest, if any, to be converted, by the Conversion Price.

(b) Subject to adjustment as provided in Section 2.1(c) hereof, the conversion price per share shall be equal to \$0.07. The foregoing notwithstanding, in the event the Borrower does not enter into a binding government contract on or before October 15, 2011 in connection with its medical device platform with such contract having gross revenues of not less than five million (\$5,000,000) dollars, the Conversion Price will be reduced to eighty percent (80%) of the average of the three lowest closing bid prices of the Common Stock as reported by Bloomberg L.P. for the Principal Market for the ten (10) trading days preceding the Conversion Date. Subject to adjustment as described herein, the Conversion Price may not be more than \$0.07.

(c) The Conversion Price and number and kind of shares or other securities to be issued upon conversion determined pursuant to Section 2.1(a), shall be subject to adjustment from time to time upon the happening of certain events while this conversion right remains outstanding, as follows:

A. Merger, Sale of Assets, etc. If (A) the Borrower effects any merger or consolidation of the Borrower with or into another entity, (B) the Borrower effects any sale of all or substantially all of its assets in one or a series of related transactions, (C) any tender offer or exchange offer (whether by the Borrower or another entity) is completed pursuant to which holders of Common Stock are permitted to tender or exchange their shares for other securities, cash or property, (D) the Borrower consummates a stock purchase agreement or other business combination (including, without limitation, a reorganization, recapitalization, spin-off or scheme of arrangement) with one or more persons or entities whereby such other persons or entities acquire more than the 50% of the outstanding shares of Common Stock (not including any shares of Common Stock held by such other persons or entities making or party to, or associated or affiliated with the other persons or entities making or party to, such stock purchase agreement or other business combination), (E) any "person" or "group" (as these terms are used for purposes of Sections 13(d) and 14(d) of the 1934 Act) is or shall become the "beneficial owner" (as defined in Rule 13d-3 under the 1934 Act), directly or indirectly, of 50% of the aggregate Common Stock of the Borrower, or (F) the Borrower effects any reclassification of the Common Stock or any compulsory share exchange pursuant to which the Common Stock is effectively converted into or exchanged for other securities, cash or property (in any such case, a "**Fundamental Transaction**"), this Note, as to the unpaid principal portion thereof and accrued interest thereon, shall thereafter be deemed to evidence the right to convert into such number and kind of shares or other securities and property as would have been issuable or distributable on account of such Fundamental Transaction, upon or with respect to the securities subject to the conversion right immediately prior to such Fundamental Transaction. The foregoing provision shall similarly apply to successive Fundamental Transactions of a similar nature by any such successor or purchaser. Without limiting the generality of the foregoing, the anti-dilution provisions of this Section shall apply to such securities of such successor or purchaser after any such Fundamental Transaction.

B. Reclassification, etc. If the Borrower at any time shall, by reclassification or otherwise, change the Common Stock into the same or a different number of securities of any class or classes that may be issued or outstanding, this Note, as to the unpaid principal portion thereof and accrued interest thereon, shall thereafter be deemed to evidence the right to purchase an adjusted number of such securities and kind of securities as would have been issuable as the result of such change with respect to the Common Stock immediately prior to such reclassification or other change.

C. Stock Splits, Combinations and Dividends. If the shares of Common Stock are subdivided or combined into a greater or smaller number of shares of Common Stock, or if a dividend is paid on the Common Stock in shares of Common Stock, the Conversion Price shall be proportionately reduced in case of subdivision of shares or stock dividend or proportionately increased in the case of combination of shares, in each such case by the ratio which the total number of shares of Common Stock outstanding immediately after such event bears to the total number of shares of Common Stock outstanding immediately prior to such event.

D. Share Issuance. So long as this Note is outstanding, if the Borrower shall issue any Common Stock except for the Excepted Issuances (as defined in the Subscription Agreement), prior to the complete conversion or payment of this Note, for a consideration per share that is less than the Conversion Price that would be in effect at the time of such issue, then, and thereafter successively upon each such issuance, the Conversion Price shall be reduced to such other lower issue price. For purposes of this adjustment, the issuance of any security or debt instrument of the Borrower carrying the right to convert such security or debt instrument into Common Stock or of any warrant, right or option to purchase Common Stock shall result in an adjustment to the Conversion Price upon the issuance of the above-described security, debt instrument, warrant, right, or option and again upon the issuance of shares of Common Stock upon exercise of such conversion or purchase rights if such issuance is at a price lower than the then applicable Conversion Price. Common Stock issued or issuable by the Borrower for no consideration will be deemed issuable or to have been issued for \$0.001 per share of Common Stock. The reduction of the Conversion Price described in this paragraph is in addition to the other rights of the Holder described in the Subscription Agreement.

(d) Whenever the Conversion Price is adjusted pursuant to Section 2.1(c) above, the Borrower shall promptly mail to the Holder a notice setting forth the Conversion Price after such adjustment and setting forth a statement of the facts requiring such adjustment.

(e) During the period the conversion right exists, Borrower will reserve from its authorized and unissued Common Stock not less than an amount of Common Stock equal to 150% of the amount of shares of Common Stock issuable upon the full conversion of this Note. Borrower represents that upon issuance, such shares will be duly and validly issued, fully paid and non-assessable. Borrower agrees that its issuance of this Note shall constitute full authority to its officers, agents, and transfer agents who are charged with the duty of executing and issuing stock certificates to execute and issue the necessary certificates for shares of Common Stock upon the conversion of this Note.

2.2 Method of Conversion. This Note may be converted by the Holder in whole or in part as described in Section 2.1(a) hereof and the Subscription Agreement. Upon partial conversion of this Note, a new Note containing the same date and provisions of this Note shall, at the request of the Holder, be issued by the Borrower to the Holder for the principal balance of this Note and interest which shall not have been converted or paid.

2.3 Maximum Conversion. The Holder shall not be entitled to convert on a Conversion Date that amount of the Note in connection with that number of shares of Common Stock which would be in excess of the sum of (i) the number of shares of Common Stock beneficially owned by the Holder and its affiliates on a Conversion Date, (ii) any Common Stock issuable in connection with the unconverted portion of the Note, and (iii) the number of shares of Common Stock issuable upon the conversion of the Note with respect to which the determination of this provision is being made on a Conversion Date, which would result in beneficial ownership by the Holder and its affiliates of more than 4.99% of the outstanding shares of Common Stock of the Borrower on such Conversion Date. For the purposes of the provision to the immediately preceding sentence, beneficial ownership shall be determined in accordance with Section 13(d) of the Securities Exchange Act of 1934, as amended, and Regulation 13d-3 thereunder. Subject to the foregoing, the Holder shall not be limited to aggregate conversions of 4.99%. The Holder shall have the authority and obligation to determine whether the restriction contained in this Section 2.3 will limit any conversion hereunder and to the extent that the Holder determines that the limitation contained in this Section applies, the determination of which portion of the Notes are convertible shall be the responsibility and obligation of the Holder. The Holder may waive the conversion limitation described in this Section 2.3, in whole or in part, upon and effective after 61 days prior written notice to the Borrower to increase such percentage to up to 9.99%.

ARTICLE III

EVENT OF DEFAULT

The occurrence of any of the following events of default ("**Event of Default**") shall, at the option of the Holder hereof, make all sums of principal and interest then remaining unpaid hereon and all other amounts payable hereunder immediately due and payable, upon demand, without presentment, or grace period, all of which hereby are expressly waived, except as set forth below:

3.1 Failure to Pay Principal or Interest. The Borrower fails to pay any installment of principal, interest or other sum due under this Note when due.

3.2 Breach of Covenant. The Borrower breaches any material covenant or other term or condition of the Subscription Agreement, Transaction Documents or this Note in any material respect and such breach, if subject to cure, continues for a period of ten (10) business days after written notice to the Borrower from the Holder.

3.3 Breach of Representations and Warranties. Any material representation or warranty of the Borrower made herein, in the Subscription Agreement, Transaction Documents, or in any agreement, statement or certificate given in writing pursuant hereto or in connection therewith shall be false or misleading in any material respect as of the date made and the Closing Date.

- 3.4 Liquidation. Any dissolution, liquidation or winding up of Borrower or any substantial portion of its business.
- 3.5 Cessation of Operations. Any cessation of operations by Borrower or Borrower admits it is otherwise generally unable to pay its debts as such debts become due.
- 3.6 Maintenance of Assets. The failure by Borrower to maintain any material intellectual property rights, personal, real property or other assets which are necessary to conduct its business (whether now or in the future).
- 3.7 Receiver or Trustee. The Borrower or any Subsidiary of Borrower shall make an assignment for the benefit of creditors, or apply for or consent to the appointment of a receiver or trustee for it or for a substantial part of its property or business; or such a receiver or trustee shall otherwise be appointed.
