FORWARD LOOKING STATEMENTS

This Form 8-K and other reports filed by Registrant from time to time with the Securities and Exchange Commission (collectively the "Filings") contain or may contain forward looking statements and information that are based upon beliefs of, and information currently available to, Registrant's management as well as estimates and assumptions made by Registrant's management. When used in the Filings the words "anticipate," "believe," "estimate," "expect," "future," "intend," "plan" or the negative of these terms and similar expressions as they relate to Registrant or Registrant's management identify forward looking statements. Such statements reflect the current view of Registrant with respect to future events and are subject to risks, uncertainties, assumptions and other factors relating to Registrant's industry, Registrant's operations and results of operations and any businesses that may be acquired by Registrant. Should one or more of these risks or uncertainties materialize, or should the underlying assumptions prove incorrect, actual results may differ significantly from those anticipated, believed, estimated, expected, intended or planned.

Although Registrant believes that the expectations reflected in the forward looking statements are reasonable, Registrant cannot guarantee future results, levels of activity, performance or achievements. Except as required by applicable law, including the securities laws of the United States, Registrant does not intend to update any of the forward-looking statements to conform these statements to actual results.

ITEM 8.01 OTHER EVENTS.

On December 13, 2013, Exosome Sciences, Inc. ("ESI"), a Nevada corporation and majority owned diagnostic subsidiary of Aethlon Medical, Inc. ("Registrant" or the "Company"), entered into a stock purchase agreement (the "Stock Purchase Agreement") with three accredited investors (collectively, the "Purchasers"), pursuant to which the Purchasers purchased an aggregate of 80,000 shares of the Company's common stock, par value \$.001 per share (the "Common Stock"), at a purchase price of \$5.00 per share, for an aggregate purchase price of \$400,000, or a post money valuation of \$7,500,000 for ESI.

The aggregate gross proceeds received by ESI under the Stock Purchase Agreement are \$1,500,000, including the sales previously reported by the Company in a report on Form 8-K filed on November 21, 2013 (the "Prior Sales"). As a result of the transaction, including the Prior Sales, the Company's percentage ownership of the outstanding capital stock of ESI was reduced from 100% to 80%.

The securities sold in the private placement were not registered under the Securities Act, or the securities laws of any state, and were offered and sold in reliance on the exemption from registration afforded by Section 4(2) and Regulation D (Rule 506) under the Securities Act and corresponding provisions of state securities laws, which exempt transactions by an issuer not involving any public offering. Each Purchaser is an "accredited investor" as such term is defined in Regulation D promulgated under the Securities Act. This current report shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall such securities be offered or sold in the United States absent registration or an applicable exemption from the registration requirements and certificates evidencing such shares contain a legend stating the same.

The foregoing description of the Stock Purchase Agreement does not purport to be complete and is qualified in its entirety by the form of Stock Purchase Agreement attached hereto as Exhibit 10.1, which is incorporated herein by reference. Readers should review that document for a complete understanding of the terms and conditions associated with this transaction.

| 10.1 | Form of Stock Purchase Agreement |

EXOSOME SCIENCES, INC.
STOCK PURCHASE AGREEMENT

This Stock Purchase Agreement (the "Agreement") is made as of November __, 2013 by and among Exosome Sciences, Inc., a Nevada corporation (the "Company"), and the purchasers listed on Exhibit A attached hereto (each a "Purchaser" and together the "Purchasers").

The parties hereby agree as follows:

1. Purchase and Sale of Common Stock

1.1 Sale and Issuance of Common Stock. Subject to the terms and conditions of this Agreement, each Purchaser agrees, severally and not jointly, to purchase at the Initial Closing and the Company agrees to sell and issue to each Purchaser at the Initial Closing that number of shares of the Company's common stock, par value \$.001 per share (the "Common Stock"), set forth opposite each such Purchaser's name on Exhibit A at a purchase price of \$5.00 per share. The shares of Common Stock issued to the Purchasers pursuant to this Agreement (including any shares issued at the Initial Closing and any Additional Shares, as defined below), shall be referred to in this Agreement as the "Stock." The Company may sell up to an aggregate of 300,000 shares of Stock (the "Offered Stock") pursuant to this Agreement. The minimum investment amount per Purchaser is \$20,000.

1.2 Closing; Delivery.

(a) The purchase and sale of the Stock shall take place remotely via the exchange of documents and signatures, at 1:00 p.m. (Pacific Time), on the date hereof, or at such other time and place as the Company and the Purchasers mutually agree upon, orally or in writing (which time and place are designated as the "Initial Closing"; each of the Initial Closing and each Additional Closing (as defined below) may be referred to herein as a "Closing".)

(b) At each Closing, the Company shall deliver to each Purchaser a certificate representing the Stock being purchased by such Purchaser against payment of the purchase price therefor by check payable to the Company or by wire transfer to a bank account designated by the Company.

1.3 Subsequent Sales of Stock. At any time following the Initial Closing but no later than December 31, 2013, which date may be extended in the Company's sole discretion, the Company may sell up to the balance of the Offered Stock not sold at the Initial Closing to such persons as may be approved by the Company (the "Additional Purchasers"). All such sales made at any additional closings (each an "Additional Closing") shall be made on the terms and conditions set forth in this Agreement, and (i) the representations and warranties of the Company set forth in Section 2 hereof (and the Disclosure Schedule) shall speak as of the Initial Closing and the Company shall have no obligation to update any such disclosure, and (ii) the representations and warranties of the Additional Purchasers in Section 3 hereof shall speak as of such Additional Closing. The Schedule of Purchasers may be amended by the Company without the consent of the Purchasers to include any Additional Purchasers upon the execution by such Additional Purchasers of a counterpart signature page hereto. Any shares of Stock sold pursuant to this Section 1.3 shall be deemed to be "Stock" for all purposes under this Agreement and any Additional Purchasers thereof shall be deemed to be "Purchasers" for all purposes under this Agreement.

1.4 **Defined Terms Used in this Agreement.** In addition to the terms defined above, the following terms used in this Agreement shall be construed to have the meanings set forth or referenced below.

“**Affiliate**” means, with respect to any specified Person, any other Person who, directly or indirectly, controls, is controlled by, or is under common control with such Person, including, without limitation, any general partner, managing member, officer or director of such Person or any venture capital fund now or hereafter existing that is controlled by one or more general partners or managing members of, or shares the same management company with, such Person.

“**Material Adverse Effect**” means a material adverse effect on the business, assets (including intangible assets), liabilities, financial condition, property or results of operation of the Company.

“**Person**” means any individual, corporation, partnership, trust, limited liability company, association or other entity.

“**Securities Act**” means the Securities Act of 1933, as amended.

2. **Representations and Warranties of the Company.** The Company hereby represents and warrants to each Purchaser that, except as set forth on a Disclosure Schedule delivered separately by the Company to each Purchaser, which exceptions shall be deemed to be representations and warranties as if made hereunder, the following representations are true and complete as of the date of the Initial Closing, except as otherwise indicated.

For purposes of these representations and warranties, the phrase “**to the Company’s knowledge**” shall mean the actual knowledge, after reasonable investigation, of James A. Joyce.

2.1 **Organization, Good Standing and Qualification.** The Company is a corporation duly organized, validly existing and in good standing under the laws of the State of Nevada and has all requisite corporate power and authority to carry on its business as presently conducted and as currently proposed to be conducted. The Company is duly qualified to transact business and is in good standing in each jurisdiction in which the failure so to qualify would have a Material Adverse Effect.

2.2 **Capitalization.** The authorized capital of the Company consists, or will consist, immediately prior to the Initial Closing, of:

(a) 20,000,000 shares of Common Stock, 1,200,000 shares of which are issued and outstanding immediately prior to the Initial Closing. All of the outstanding shares of Common Stock have been duly authorized, are fully paid and nonassessable and were issued in compliance with the Securities Act and all applicable state securities laws.

(b) Except for the Stock, there are no outstanding options, warrants, rights (including conversion or preemptive rights and rights of first refusal or similar rights) or agreements, orally or in writing, for the purchase or acquisition from the Company of any shares of its capital stock. No stock plan, stock purchase, stock option or other agreement between the Company and any holder of equity securities or rights to purchase equity securities provides for acceleration of vesting, or the lapse of a Company repurchase right, upon the occurrence of any event. The Company has never adjusted or amended the exercise price of any stock options previously awarded, whether through amendment, cancellation, replacement grant, repricing, or any other means.

2.3 Subsidiaries. The Company does not currently own or control, directly or indirectly, any interest in any other corporation, partnership, trust, joint venture, limited liability company, association or other business entity. The Company is not a participant in any joint venture, partnership or similar arrangement.

2.4 Authorization. All corporate action on the part of the Company and its officers, directors and stockholders necessary for the authorization, execution and delivery of this Agreement, the performance of all obligations of the Company hereunder and the authorization, issuance and delivery of the Stock has been taken or will be taken prior to the Initial Closing, and this Agreement, when executed and delivered by the Company, shall constitute the valid and legally binding obligation of the Company, enforceable against the Company in accordance with its terms except (a) as limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance, or other laws of general application relating to or affecting the enforcement of creditors' rights generally, or (b) as limited by laws relating to the availability of specific performance, injunctive relief, or other equitable remedies.

2.5 Valid Issuance of Securities. The Stock, when issued, sold and delivered in accordance with the terms of this Agreement for the consideration expressed herein, will be duly and validly issued, fully paid and nonassessable and free of liens, encumbrances and restrictions on transfer other than restrictions on transfer under this Agreement, applicable state and federal securities laws and liens or encumbrances created by or imposed by a Purchaser. Based in part upon the representations of the Purchasers in Section 3 of this Agreement and subject to the provisions of Section 2.6 below, the Stock will be issued in compliance with the Securities Act and all applicable federal and state securities laws. The sale of the Stock is not subject to any preemptive rights or rights of first refusal that have not been properly waived or complied with.

2.6 Governmental Consents and Filings. Assuming the accuracy of the representations made by the Purchasers in Section 3 of this Agreement, no consent, approval, order or authorization of, or registration, qualification, designation, declaration or filing with, any federal, state or local governmental authority is required on the part of the Company in connection with the consummation of the transactions contemplated by this Agreement, except for filings pursuant to Regulation D of the Securities Act, and applicable state securities laws, which have been made or will be made in a timely manner.

2.7 Litigation. There is no claim, action, suit, proceeding, arbitration, complaint, charge or investigation pending or, to the Company's knowledge, currently threatened against the Company that questions the validity of this Agreement or the right of the Company to enter into it, or to consummate the transactions contemplated hereby, or that would reasonably be expected to cause, either individually or in the aggregate, a Material Adverse Effect. Neither the Company nor, to the Company's knowledge, any of its officers or directors, is a party or is named as subject to the provisions of any order, writ, injunction, judgment or decree of any court or government agency or instrumentality. There is no action, suit, proceeding or investigation by the Company pending or which the Company intends to initiate. The foregoing includes, without limitation, claims, actions, suits, proceedings or investigations pending or threatened in writing (or any basis therefor known to the Company) involving the prior employment of any of the Company's employees, their use in connection with the Company's business, or any information or techniques allegedly proprietary to any of their former employers, or their obligations under any agreements with prior employers.

2.8 Intellectual Property. To the Company's knowledge, the Company owns or possesses sufficient legal rights to all trademarks, service marks, trade names, domain names, copyrights, trade secrets, licenses, information and proprietary rights and processes and all patents necessary to the conduct of the Company's business as now conducted and as currently proposed to be conducted, without any conflict with, or infringement of or violation of, the rights of others. Section 2.8 of the Disclosure Schedule contains a complete list of patents and pending patent applications and registrations and applications for trademarks of the Company. There are no outstanding options, licenses, agreements, claims, encumbrances or shared ownership interests of any kind relating to any of the foregoing owned by or exclusively licensed to the Company, nor is the Company bound by or a party to any options, licenses or agreements of any kind with respect to the patents, trademarks, service marks, trade names, domain names, copyrights, trade secrets, licenses, information, proprietary rights and/or processes of any other person or entity, except, in either case, for standard end-user, object code, internal-use software license and related support/maintenance agreements for software that is not and will not be incorporated into, the Company's software, products or services. The Company has not received any communications alleging that the Company has violated or, by conducting its business as proposed, would violate any of the patents, trademarks, service marks, trade names, domain names, copyrights, trade secrets or other proprietary rights or processes of any other person or entity, and the Company is not aware of any potential basis for such an allegation or of any reason to believe that such an allegation may be forthcoming. The Company is not aware that any of its employees is obligated under any contract (including licenses, covenants or commitments of any nature) or other agreement, or subject to any judgment, decree or order of any court or administrative agency, that would interfere with the use of such employee's best efforts to promote the interest of the Company or that would conflict with the Company's business as now conducted and as currently proposed to be conducted. Neither the execution or delivery or performance of this Agreement, nor the carrying on of the Company's business by the employees of the Company, nor the conduct of the Company's business as proposed, will, to the Company's knowledge, conflict with or result in a breach of the terms, conditions, or provisions of, or constitute a default under, any contract, covenant or instrument under which any such employee is now obligated. The Company does not believe it is or will be necessary to use any inventions of any of its employees made prior to or outside the scope of their employment by the Company.

2.9 Compliance with Other Instruments. The Company is not in violation or default (i) of any provisions of its Articles of Incorporation or Bylaws, or (ii) of any instrument, judgment, order, writ, or decree, or under any note, indenture, mortgage, lease, agreement, contract or purchase order to which it is a party or by which it is bound or, (iii) to its knowledge, of any provision of federal or state statute, rule or regulation applicable to the Company, and with respect to the foregoing subsections (ii) and (iii) only, the violation of which could reasonably be expected to have a Material Adverse Effect. The execution, delivery and performance of this Agreement and the consummation of the transactions contemplated hereby will not result in any such violation or be in conflict with or constitute, with or without the passage of time and giving of notice, either a default under any such provision, instrument, judgment, order, writ, decree or contract or an event which results in the creation of any lien, charge or encumbrance upon any assets of the Company or the suspension, revocation, impairment, forfeiture or nonrenewal of any material permit, license, authorization or approval applicable to the Company.

2.10 Agreements: Actions.

(a) Except for this Agreement or as set forth in Section 2.10(a) of the Disclosure Schedule, there are no agreements, understandings, instruments, contracts or proposed transactions to which the Company is a party or by which it is bound that involve (i) obligations (contingent or otherwise) of, or payments to, the Company in excess of \$50,000, (ii) the license of any patent, copyright, trade secret or other proprietary right to or from the Company other than the non-exclusive license to the Company of standard, generally commercially available “~~off-the-shelf~~” third-party products that are not and will not be incorporated into the Company’s products, (iii) the grant of rights to manufacture, produce, assemble, license, market, or sell its products to any other person or affect the Company’s exclusive right to develop, manufacture, assemble, distribute, market or sell its products, or (iv) indemnification by the Company with respect to infringements of proprietary rights, except in the ordinary course of business pursuant to standard end-user agreements.

(b) Except as set forth in Section 2.10(b) of the Disclosure Schedule, the Company has not (i) declared or paid any dividends, or authorized or made any distribution upon or with respect to any class or series of its capital stock, (ii) incurred any indebtedness for money borrowed or incurred any other liabilities individually in excess of \$25,000 or in excess of \$100,000 in the aggregate, (iii) made any loans or advances to any person, other than ordinary advances for travel expenses, or (iv) sold, exchanged or otherwise disposed of any of its assets or rights, other than the sale of its inventory in the ordinary course of business. For the purposes of subsections (b) and (c) of this Section 2.10, all indebtedness, liabilities, agreements, understandings, instruments, contracts and proposed transactions involving the same person or entity (including persons or entities the Company has reason to believe are affiliated with that person or entity) shall be aggregated for the purposes of meeting the individual minimum dollar amounts of each such subsection.

(c) The Company is not a guarantor or indemnitor of any indebtedness of any person.

(d) The Company has not engaged in the past three months in any discussion with any representative of any Person regarding (i) a sale of all or substantially all of the Company's assets, or (ii) any merger, consolidation or other business combination transaction of the Company with or into another Person.

2.11 Certain Transactions.

(a) Except as set forth in Section 2.11(a) of the Disclosure Schedule, there are no agreements, understandings or proposed transactions between the Company and any of its officers, directors or consultants, or any of its or their Affiliates.

(b) The Company is not indebted, directly or indirectly, to any of its directors, officers or employees or to their respective spouses or children or to any Affiliate of any of the foregoing. None of the Company's directors, officers or employees, or any members of their immediate families, or any Affiliate of the foregoing are, directly or indirectly, indebted to the Company or, to the Company's knowledge, have any (i) material commercial, industrial, banking, consulting, legal, accounting, charitable or familial relationship with any of the Company's customers, suppliers, service providers, joint venture partners, licensees and competitors, (ii) direct or indirect ownership interest in any firm or corporation with which the Company is affiliated or with which the Company has a business relationship, or any firm or corporation which competes with the Company except that directors, officers, employees or stockholders of the Company may own stock in (but not exceeding two percent (2%) of the outstanding capital stock of) publicly traded companies that may compete with the Company; or (iii) financial interest in any material contract with the Company.

2.12 Title to Property and Assets. The Company owns its property and assets free and clear of all mortgages, deeds of trust, liens, loans and encumbrances, except for statutory liens for the payment of current taxes that are not yet delinquent and encumbrances and liens that arise in the ordinary course of business and do not materially impair the Company's ownership or use of such property or assets. With respect to the property and assets it leases, the Company is in compliance with such leases and, to its knowledge, holds a valid leasehold interest free of any liens, claims or encumbrances other than to the lessors of such property or assets. The Company does not own any real property.

2.13 Financial Statements. The Company has not prepared any balance sheet, income statement, statement of operations, statement of changes in financial position and stockholders' equity or other financial statement. Except as set forth in Section 2.13 of the Disclosure Schedule, the Company has no material liabilities, contingent or otherwise, other than (a) liabilities incurred after the date of incorporation in the ordinary course of business that are not material, individually or in the aggregate, and (b) obligations under contracts and commitments incurred in the ordinary course of business which would not be required under generally accepted accounting principles to be reflected in financial statements prepared in accordance with generally accepted accounting principles.

2.14 Employee Benefit Plans. The Disclosure Schedule sets forth all employee benefit plans maintained, established or sponsored by the Company, or in or to which the Company participates or contributes, which are subject to the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). The Company has made all required contributions and has no liability to any such employee benefit plan, other than liability for health plan continuation coverage described in Part 6 of Title I(B) of ERISA, and has complied with all applicable laws for any such employee benefit plan.

2.15 Tax Returns and Payments. There are no federal, state, county, local or foreign taxes due and payable by the Company which have not been timely paid. There are no accrued and unpaid federal, state, county, local or foreign taxes of the Company which are due, whether or not assessed or disputed. There have been no examinations or audits of any tax returns or reports of the Company by any applicable federal, state, local or foreign governmental agency. The Company has duly and timely filed all federal, state, county, local and foreign tax returns required to have been filed by it and there are in effect no waivers of applicable statutes of limitations with respect to taxes for any year.

2.16 Insurance. The Company has in full force and effect fire and casualty insurance policies, with extended coverage, sufficient in amount (subject to reasonable deductibles) to allow it to replace any of its properties that might be damaged or destroyed.

2.17 Labor Agreements and Actions. The Company is not bound by or subject to (and none of its assets or properties is bound by or subject to) any written or oral, express or implied, contract, commitment or arrangement with any labor union, and no labor union has requested or, to the Company’s knowledge, has sought to represent any of the employees, representatives or agents of the Company. There is no strike or other labor dispute involving the Company pending, or to the Company’s knowledge threatened, which could have a Material Adverse Effect, nor is the Company aware of any labor organization activity involving its employees. The Company is not aware that any officer or key employee intends to terminate their employment with the Company, nor does the Company have any present intention to terminate the employment of any officer or key employee. The employment of each officer and employee of the Company is terminable at the will of the Company. To its knowledge, the Company has complied in all material respects with all applicable state and federal equal employment opportunity laws and with other laws related to employment. The Company is not a party to or bound by any deferred compensation agreement, bonus plan, incentive plan, profit sharing plan, or retirement agreement. The Company is not obligated to pay severance or any other additional compensation upon the termination of any director, officer, consultant or employee.

2.18 Permits. The Company has all franchises, permits, licenses and any similar authority necessary for the conduct of its business, the lack of which could have a Material Adverse Effect, and the Company believes it can obtain, without undue burden or expense, any similar authority for the conduct of its business as proposed. The Company is not in default in any material respect under any of such franchises, permits, licenses or other similar authority.

2.19 Corporate Documents. The Articles of Incorporation and Bylaws of the Company are in the form provided to counsel for the Purchasers. The copy of the minute books of the Company provided to the Purchasers' counsel contains minutes of all meetings of directors and stockholders and all actions by written consent without a meeting by the directors and stockholders since the date of incorporation and accurately reflects in all material respects all actions by the directors (and any committee of directors) and stockholders with respect to all transactions referred to in such minutes.

2.20 Disclosure. The Company has made available to each Purchaser all the information reasonably available to the Company that such Purchaser has requested for deciding whether to purchase the Stock. No representation or warranty of the Company contained in this Agreement, as qualified by the Disclosure Schedule, or in any certificate furnished or to be furnished to a Purchaser at the Closing contains any untrue statement of a material fact or omits to state a material fact necessary to make the statements herein or therein not misleading in light of the circumstances under which they were made.

3. **Representations and Warranties of the Purchasers.** Each Purchaser, severally and not jointly, hereby represents and warrants to the Company that:

3.1 Authorization. The Purchaser has full power and authority to enter into this Agreement. This Agreement, when executed and delivered by the Purchaser, will constitute the valid and legally binding obligation of the Purchaser, enforceable in accordance with its terms, except (a) as limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance, and any other laws of general application relating to or affecting enforcement of creditors' rights generally, and (b) as limited by laws relating to the availability of a specific performance, injunctive relief, or other equitable remedies.

3.2 Purchase Entirely for Own Account. This Agreement is made with the Purchaser in reliance upon the Purchaser's representation to the Company, which by the Purchaser's execution of this Agreement the Purchaser hereby confirms, that the Stock to be acquired by the Purchaser will be acquired for investment for the Purchaser's own account, not as a nominee or agent, and not with a view to the resale or distribution of any part thereof, and that the Purchaser has no present intention of selling, granting any participation in, or otherwise distributing the same. By executing this Agreement, the Purchaser further represents that the Purchaser does not presently have any contract, undertaking, agreement or arrangement with any Person to sell, transfer or grant participations to such Person or to any third Person, with respect to any of the Stock. If the Purchaser is a corporation, partnership or other entity, such Purchaser has not been formed for the specific purpose of acquiring the Stock.

3.3 Disclosure of Information. The Purchaser believes it has received all information it considers necessary or appropriate for deciding whether to purchase the Stock. The Purchaser has had an opportunity to ask questions and receive answers from the Company regarding the terms and conditions of the offering of the Stock and the business, properties, prospects and financial condition of the Company. The foregoing, however, does not limit or modify the representations and warranties of the Company in Section 2 of this Agreement or the right of the Purchasers to rely on such representations and warranties.

3.4 Restricted Securities. The Purchaser understands that the Stock will be characterized as “restricted securities” under the federal securities laws, inasmuch as it is being acquired from the Company in a transaction not involving a public offering, and that under such laws and applicable regulations such Stock may not be resold without registration under the Securities Act, except in certain limited circumstances. In this connection, the Purchaser represents that it is familiar with Rule 144 promulgated under the Securities Act, as presently in effect, and understands the resale limitations imposed thereby and by the Securities Act. The Purchaser acknowledges that the Company has no obligation to register or qualify the Stock for resale. The Purchaser further acknowledges that if an exemption from registration or qualification is available, it may be conditioned on various requirements including, but not limited to, the time and manner of sale, the holding period for the Stock, and on requirements relating to the Company that are outside the Purchaser’s control, and which the Company is under no obligation and may not be able to satisfy.

3.5 No Public Market. The Purchaser understands that no public market now exists for the Stock, and that the Company has made no assurances that a public market will ever exist for the Stock.

3.6 Legends. The Purchaser understands that any certificates representing the Stock and any securities issued in respect of or exchange for the Stock, may bear one or all of the following legends:

(a) “THE SHARES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AND HAVE BEEN ACQUIRED FOR INVESTMENT AND NOT WITH A VIEW TO, OR IN CONNECTION WITH, THE SALE OR DISTRIBUTION THEREOF. NO SUCH SALE OR DISTRIBUTION MAY BE EFFECTED WITHOUT AN EFFECTIVE REGISTRATION STATEMENT RELATED THERETO OR AN OPINION OF COUNSEL IN A FORM SATISFACTORY TO THE COMPANY THAT SUCH REGISTRATION IS NOT REQUIRED UNDER THE SECURITIES ACT OF 1933.”

(b) Any legend set forth in or required by any other section of this Agreement.

(c) Any legend required by the securities laws of any state to the extent such laws are applicable to the shares represented by the certificate so legended.

3.7 Accredited Investor. The Purchaser is an accredited investor as defined in Rule 501(a) of Regulation D promulgated under the Securities Act.

3.8 Foreign Investors. If the Purchaser is not a United States person (as defined by Section 7701(a)(30) of the Internal Revenue Code of 1986, as amended), such Purchaser hereby represents that it has satisfied itself as to the full observance of the laws of its jurisdiction in connection with any invitation to subscribe for the Stock or any use of this Agreement, including (a) the legal requirements within its jurisdiction for the purchase of the Stock, (b) any foreign exchange restrictions applicable to such purchase, (c) any governmental or other consents that may need to be obtained, and (d) the income tax and other tax consequences, if any, that may be relevant to the purchase, holding, redemption, sale, or transfer of the Stock. Such Purchaser’s subscription and payment for and continued beneficial ownership of the Stock, will not violate any applicable securities or other laws of the Purchaser’s jurisdiction. The funds used to purchase the Stock do not violate the anti-money laundering provisions of the Money Laundering Control Act of 1986 or the Bank Secrecy Act of 1970, as amended by the USA Patriot Act of 2001.

3.9 **No General Solicitation.** Neither the Purchaser, nor any of its officers, employees, agents, directors, stockholders or partners has engaged the services of a broker, investment banker or finder to contact any potential investor nor has the Purchaser or any of the Purchaser's officers, employees, agents, directors, stockholders or partners, agreed to pay any commission, fee or other remuneration to any third party to solicit or contact any potential investor. Neither the Purchaser, nor any of its officers, directors, employees, agents, stockholders or partners has (a) engaged in any general solicitation, or (b) published any advertisement in connection with the offer and sale of the Stock.

3.10 **Exculpation Among Purchasers.** The Purchaser acknowledges that it is not relying upon any Person, other than the Company and its officers and directors, in making its investment or decision to invest in the Company. The Purchaser agrees that neither any Purchaser nor the respective controlling persons, officers, directors, partners, members, agents, or employees of any Purchaser shall be liable to any other Purchaser for any action heretofore or hereafter taken or omitted to be taken by any of them in connection with the purchase of the Stock.

3.11 **Residence.** If the Purchaser is an individual, then the Purchaser resides in the state or province identified in the address of the Purchaser set forth on Exhibit A; if the Purchaser is a partnership, corporation, limited liability company or other entity, then the office or offices of the Purchaser in which its principal place of business is located is identified in the address or addresses of the Purchaser set forth on Exhibit A.
